1. Capitalized terms used herein (including those used in the Recitals hereto), unless otherwise defined, shall have the meanings ascribed to them in the Loan Agreement.

2. To secure the prompt payment and performance of all of the Obligations, each Grantor hereby grants, assigns and pledges to Agent, for the benefit of the Secured Parties, a continuing security interest in and Lien upon all of the following property of such Grantor, whether now existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) All trademarks, trademark registrations, trade names and trademark applications, including, without limitation, the trademarks, trademark registrations and applications owned by such Grantor and listed on Exhibit A attached hereto and made a part hereof (as the same may be amended from time to time), and (i) all renewals thereof, (ii) all income, royalties, damages and

(b) The goodwill of such Grantor's business connected with and symbolized by its Trademarks; and

(c) All proceeds of the foregoing.

3. Each Grantor represents and warrants to Agent that:

(a) Each of its Trademarks that is registered is subsisting and none of its Trademarks have been adjudged invalid or unenforceable;

(b) Upon filing of a UCC financing statement which names such Grantor as debtor, Agent as secured party and the Trademark Collateral as collateral with the Delaware Department of State and filing this Agreement in the United States Patent and Trademark Office, this Agreement will create a legal, valid and perfected Lien upon and security interest in the Trademark Collateral that is registered at the United States Patent and Trademark Office and that is listed on Exhibit A attached hereto, enforceable against such Grantor and all third Persons in accordance with its terms;

(c) Such Grantor has the unqualified right to enter into this Agreement and perform its terms;

(d) Each of its registered Trademarks is valid and enforceable in the United States or Canada, as applicable; and

(e) Such Grantor is the sole and exclusive owner of the entire right, title and interest in and to all of its material Trademark Collateral, free and clear of any Liens, charges and encumbrances (except Permitted Liens and licenses permitted pursuant to the Loan Agreement), including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by such Grantor not to sue third Persons.

4. Each Grantor covenants and agrees with Agent that:

(a) Except for changes in quality of products to be made in the Ordinary Course of Business, each Grantor will maintain the quality of the products associated with its Trademarks, at a level consistent with the quality at the time of this Agreement;

(b) Except for changes in quality of products to be made in the Ordinary Course of Business, each Grantor will not materially change the quality of the products associated with its Trademarks without Agent's prior written consent; and

(c) Except for Trademarks abandoned by each Grantor in the Ordinary Course of Business (provided such abandonment could not be reasonably expected to have a Material Adverse Effect), each Grantor has used and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of its registered Trademarks, including, without limitation, filing an affidavit of use with the United States Patent and

Trademark Office and any applicable foreign filing office for each registered Trademark as required by Applicable Law to maintain the registration thereof without loss of protection therefor.

5. Each Grantor hereby grants to Agent and Agent's employees and agents, the visitation, audit, and inspection rights with respect to such Grantor and the Trademark Collateral as set forth in the Loan Agreement.

6. If, before Full Payment of all of the Obligations, any Grantor shall obtain rights to any new Trademarks material to such Grantor, or become entitled to the benefit of any trademark application or trademark or any renewal of any Trademark, the provisions of paragraph 2 hereof shall automatically apply thereto, and such Grantor shall give to Agent prompt notice thereof in writing.

7. Each Grantor irrevocably authorizes and empowers Agent to modify this Agreement by amending Exhibit A to include any future trademarks and trademark applications under paragraph 2 or paragraph 6 hereof (it being understood and agreed that Agent will endeavor to use commercially reasonable efforts to give such Grantor three Business Days' prior written notice before filing any amendment with the United States Patent and Trademark Office or applicable foreign filing office).

8. At any time that an Event of Default exists, Agent shall have, in addition to all other rights and remedies given it by this Agreement and the other Loan Documents, all rights and remedies under Applicable Law and all rights and remedies of a secured party under the UCC or the PPSA and all other rights and remedies under any other Applicable Law. Without limiting the generality of the foregoing, at any time an Event of Default exists, Agent may immediately, for the benefit of Secured Parties, without demand of performance and without notice (except as described in the next sentence, if required by Applicable Law), or demand whatsoever to any Grantor, each of which each Grantor hereby expressly waives, collect directly any payments due any Grantor in respect of the Trademark Collateral, or sell at public or private sale or otherwise realize upon all or from time to time, any of the Trademark Collateral. Each Grantor hereby agrees that ten (10) days written notice to such Grantor of any public or private sale or other disposition of any of the Trademark Collateral shall be reasonable notice; provided, however, that no notice shall be required hereunder if not otherwise required by Applicable Law. At any such sale or disposition, Agent may, to the extent permitted by law, purchase the whole or any part of the Trademark Collateral sold, free from any right of redemption on the part of any Grantor, which right each Grantor hereby waives and releases. After deducting from the proceeds of such sale or other disposition of the Trademark Collateral all reasonable costs and expenses incurred by Agent in enforcing its rights hereunder (including, without limitation, all reasonable attorneys' fees), Agent shall apply the remainder of such proceeds to the payment of the Obligations in such order and manner as may be authorized or required by the Loan Agreement. Any remainder of the proceeds after Full Payment of the Obligations shall be paid over to the applicable Grantor. If any deficiency shall arise, each Grantor and each guarantor of the Obligations shall remain jointly and severally liable therefor.

9. Each Grantor hereby makes, constitutes and appoints Agent and any officer or agent of Agent as Agent may select, as such Grantor's true and lawful attorney-in-fact, with full power to do any or all of the following if an Event of Default shall exist: to endorse such Grantor's name on all applications, documents, papers and instruments necessary for Agent to continue the registration of or to use such Grantor's Trademarks, or to grant or issue any exclusive or nonexclusive license (subject to any then-existing licenses) under such Grantor's Trademarks to any other Person, or to assign, pledge, convey or otherwise transfer title in or dispose of any Trademark Collateral to any other Person. Each Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable until Full Payment of the Obligations.

10. Section 3.4 of the Loan Agreement is incorporated herein *mutadis mutandis*, as if a part hereof.

11. Each Grantor shall promptly after obtaining knowledge thereof notify Agent in writing of the assertion of any Intellectual Property Claim that could reasonably be expected to have a Material Adverse Effect. Each Grantor shall have the duty, through counsel acceptable to Agent, to prosecute diligently any trademark application for a Trademark pending as of the date of this Agreement or thereafter until Full Payment of the Obligations, to make federal application on registrable but unregistered Trademarks (subject to such Grantor's reasonable discretion in the ordinary course of business or, during the existence of an Event of Default or a Default, promptly upon Agent's request), to file and prosecute opposition and cancellation proceedings, to file and prosecute lawsuits to protect each of its Trademarks and to do any and all acts as such Grantor reasonably deems necessary or desirable to preserve and maintain the Trademark Collateral owned by it, unless in any such case such Grantor has determined that such Trademark Collateral is no longer material to the conduct of its business. Any expenses incurred in connection with such applications or proceedings shall be borne by such Grantor. No Grantor shall abandon any right to file a trademark application, or any pending trademark application or trademark without the consent of Agent, unless such Grantor has determined that such trademark application or trademark is no longer necessary or material to the conduct of its business.

12. Notwithstanding anything to the contrary contained in paragraph 11 hereof, at any time that an Event of Default exists, Agent shall have the right, but shall in no way be obligated, to bring suit instead in its own name to enforce the Trademarks and any license hereunder, or to defend any suit or counterclaim in its own name to protect the Trademarks or any license hereunder, in either of which events each Grantor shall at the request of Agent do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Agent to aid such enforcement, or defense, and each Grantor shall promptly, **upon demand**, reimburse and indemnify Agent for all reasonable costs and expenses incurred in the exercise of Agent's rights under this paragraph 12.

13. If any Grantor fails to comply with any of its obligations hereunder and at the time of such failure or as a result thereof an Event of Default exists, then to the extent permitted by Applicable Law, Agent may discharge such obligations in such Grantor's name or in Agent's name, in Agent's sole discretion, but at such Grantor's expense, and such Grantor agrees to reimburse Agent in full for all expenses, including, without limitation, reasonable attorneys' fees, incurred by Agent in prosecuting, defending or maintaining the Trademarks or Agent's interest therein pursuant to this Agreement.

14. No course of dealing between any Grantor and Agent or any Lender, nor any failure to exercise, nor any delay in exercising, on the part of Agent or any Lender, any right, power or privilege hereunder or under any of the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

15. All of Agent's rights and remedies with respect to the Trademark Collateral, whether established hereby or by any of the other Loan Documents, or by any other agreements or by Applicable Law shall be cumulative and may be exercised singularly or concurrently.

16. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

17. This Agreement, together with the other Loan Documents, constitutes and expresses the entire understanding of the parties hereto with respect to the subject matter hereof, and supersedes all prior agreements and understandings, inducements or conditions, whether expressed or implied, oral or written. This Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraph 8 hereof.

18. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of each Secured Party and upon the successors and permitted assigns of each Grantor. No Grantor shall assign its rights or delegate its duties hereunder without the prior written consent of Agent.

19. Each Grantor hereby waives notice of Agent's acceptance hereof.

20. This Agreement may be executed in any number of counterparts and by different parties to this Agreement on separate counterparts, each of which, when so executed, shall be deemed an original, but all such counterparts shall constitute one and the same agreement. Any manually executed signature page to this Agreement delivered by a party by facsimile or other electronic transmission shall be deemed to be an original signature hereto.

21. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

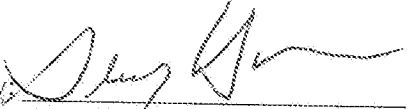

22. **To the fullest extent permitted by Applicable Law, each Grantor and Agent each waives the right to trial by jury in any action, suit, proceeding or counterclaim of any kind arising out of, or related to, this Agreement or the Trademark Collateral.**
