- (b) to take or cause to be taken all actions necessary to perform or comply or cause performance or compliance with the terms of this Agreement, including access to pay or discharge taxes or Liens (other than Permitted Liens) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Secured Party in its sole discretion, any such payments made by the Secured Party to become obligations of such Grantor to the Secured Party, due and payable immediately without demand; and
- (c) upon the occurrence and during the continuance of any Event of Default (i) to obtain and adjust insurance required to be maintained by such Grantor or paid to the

Secured Party pursuant to the Credit Agreement; (ii) to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral, and to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection therewith; (iii) to file any claims or take any action or institute any proceedings that the Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Secured Party with respect to any of the Collateral; and (iv) generally to sell, transfer, lease, license, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Secured Party were the absolute owner thereof for all purposes, and to do, at the Secured Party's option and such Grantor's expense, at any time or from time to time, all acts and things that the Secured Party deems reasonably necessary to protect, preserve or realize upon the Collateral and Secured Party's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

6.2. No Duty. The powers conferred on the Secured Party pursuant to Section 6.1 are solely to protect its interest in the Collateral and shall not impose any duty upon the Secured Party to exercise any such powers. The Secured Party shall be accountable only for amounts that they actually receive as a result of the exercise of such powers, and neither they nor any of their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence or willful misconduct.

SECTION 7. REMEDIES.

7.1. Rights and Remedies.

- Generally. If any Event of Default has occurred and is then continuing, the Secured Party may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it at law or in equity, all the rights and remedies of the Secured Party upon default under the UCC (regardless of whether the UCC applies to the affected Collateral) to collect, enforce or satisfy any Secured Obligations then owing, whether by acceleration or otherwise, and also may pursue any of the following separately, successively or simultaneously in accordance with applicable law: (i) require any Grantor to, and each Grantor hereby agrees that it shall at its expense and promptly upon request of the Secured Party forthwith, assemble all or part of the Collateral as directed by the Secured Party and make it available to the Secured Party at a place to be designated by the Secured Party that is reasonably convenient to both parties; (ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process; (iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Secured Party deems appropriate; and (iv) without notice except as specified below or under the UCC, sell, assign, lease, license (on an exclusive or nonexclusive basis) or otherwise dispose of the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Secured Party's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Secured Party may deem commercially reasonable.
- (b) <u>Public and Private Sales</u>. The Secured Party may be the purchaser of any or all of the Collateral at any public or private (to the extent to the portion of the Collateral being

privately sold is of a kind that is customarily sold on a recognized market or the subject of widely distributed standard price quotations) sale in accordance with the UCC and the Secured Party shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale made in accordance with the UCC, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by the Secured Party at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Secured Party shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that it would not be commercially unreasonable for the Secured Party to dispose of the Collateral or any portion thereof by using Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets. Each Grantor hereby waives any claims against the Secured Party arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Secured Party accepts the first offer received and does not offer such Collateral to more than one offeree. If Secured Party sells any of the Collateral upon credit, Grantor will be credited only with payments actually made by purchaser and received by Secured Party and applied to indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, Secured Party may resell the Collateral and Grantor shall be credited with proceeds of the sale. The Secured Party may sell the Collateral without giving any warranties as to the Collateral. The Secured Party may specifically disclaim or modify any warranties of title or the like, and such disclaimer shall not be considered to adversely affect the commercial reasonableness of any sale of the Collateral. If the proceeds of any sale or other disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantors shall be liable for the deficiency and the fees of any attorneys employed by the Secured Party to collect such deficiency.

7.2. Cash Proceeds. If any Event of Default has occurred and is then continuing, in addition to the rights of the Secured Party specified in Section 4.5 with respect to payments of Receivables, (a) all proceeds of any Collateral received by any Grantor consisting of cash, checks and other near-cash items (collectively, "Cash Proceeds") shall be held by such Grantor in trust for the Secured Party, segregated from other funds of such Grantor, and shall, forthwith upon receipt by such Grantor, be turned over to the Secured Party in the exact form received by such Grantor (duly indorsed by such Grantor to the Secured Party, if required) and held by the Secured Party in the Collateral Account; and (b) any Cash Proceeds received by the Secured Party (whether from a Grantor or otherwise) may, in the sole discretion of the Secured Party, (i) be held by the Secured Party as collateral security for the Secured Obligations (whether matured or unmatured) and/or (ii) then or at any time thereafter may be applied by the Secured Party against the Secured Obligations then due and owing.

- 7.3. <u>Deposit Accounts</u>. If any Event of Default has occurred and is then continuing, the Secured Party may apply the balance from any Deposit Account or instruct the bank at which any Deposit Account is maintained to pay the balance of any Deposit Account to or for the benefit of the Secured Party.
- 7.4. Investment Related Property. Each Grantor recognizes that, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws, the Secured Party may be compelled, with respect to any sale of all or any part of the Investment Related Property conducted without prior registration or qualification of such Investment Related Property under the Securities Act and/or such state securities laws, to limit purchasers to those who will agree, among other things, to acquire the Investment Related Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private sale may be at prices and on terms less favorable than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act) and, notwithstanding such circumstances, each Grantor agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Secured Party has no obligation to engage in public sales and no obligation to delay the sale of any Investment Related Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would, or should, agree to so register it. If the Secured Party determines to exercise its right to sell any or all of the Investment Related Property, upon written request, each Grantor shall and shall cause each issuer of any Pledged Stock to be sold hereunder, each partnership and each limited liability company from time to time to furnish to the Secured Party all such information as the Secured Party may request in order to determine the number and nature of interest, shares or other instruments included in the Investment Related Property which may be sold by the Secured Party in exempt transactions under the Securities Act and the rules and regulations of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

7.5. Intellectual Property.

Rights and Remedies of Secured Party. Anything contained herein to the contrary notwithstanding, in addition to the other rights and remedies provided herein, upon the occurrence and during the continuation of an Event of Default: (i) the Secured Party has the right (but not the obligation) to bring suit or otherwise commence any action or proceeding in the name of any Grantor, the Secured Party or otherwise, in the Secured Party's sole discretion, to enforce or maintain any of such Grantor's Intellectual Property, in which event such Grantor shall, at the request of the Secured Party, do any and all lawful acts and execute any and all documents required by the Secured Party in aid of such enforcement and such Grantor shall promptly, upon demand, reimburse and indemnify the Secured Party as provided in the Credit Agreement in connection with the exercise of its rights under this Section, and, to the extent that the Secured Party shall elect not to bring suit to enforce any Intellectual Property as provided in this Section, each Grantor agrees to, consistent with its reasonable business judgment, use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement or other violation of any of such Grantor's rights in the Intellectual Property by others and for that purpose agrees to diligently maintain any action, suit or proceeding against any Person so infringing as shall be necessary to prevent such infringement or violation; (ii)

upon Secured Party's request, each Grantor shall grant, assign, convey or otherwise transfer to the Secured Party or such Secured Party's designee all of such Grantor's right, title and interest in and to the Intellectual Property and shall execute and deliver to the Secured Party such documents as are necessary or appropriate to carry out the intent and purposes of this Agreement; (iii) Secured Party and each Grantor agrees that each such assignment and/or recording set forth in subsection (ii) herein shall be applied to reduce the Secured Obligations outstanding; (iv) within five Business Days after written notice from the Secured Party, each Grantor shall use commercially reasonable efforts to make available to the Secured Party, to the extent within such Grantor's power and authority under applicable law and contracts, such personnel in such Grantor's employ as may be necessary to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell, or have done so on its behalf, the products and services made, used, sold, offered for sale, distributed or delivered by such Grantor under or in connection with the Intellectual Property, such persons to be available to perform their prior functions on the Secured Party's behalf and to be compensated by the Secured Party at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default; and (v) the Secured Party has the right to notify, or require each Grantor to notify, any obligors with respect to amounts due or to become due to such Grantor in respect of such Grantor's Intellectual Property, of the existence of the security interest created herein, to direct such obligors to make payment of all such amounts directly to the Secured Party, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done; provided, (A) all amounts and proceeds (including checks and other instruments) received by a Grantor in respect of amounts due to such Grantor in respect of its Intellectual Property or any portion thereof shall be received in trust for the benefit of the Secured Party hereunder, shall be segregated from other funds of such Grantor and, upon the Secured Party's instruction, shall be forthwith paid over or delivered to the Secured Party in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 7.7; and (B) each Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

- (b) Non-Exclusive License. If needed and for the purpose of enabling the Secured Party, during the continuance of an Event of Default, to exercise rights and remedies under this Section 7 at such time as the Secured Party shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, each Grantor hereby grants to the Secured Party, to the extent assignable, an irrevocable, non-exclusive license to use, assign, license or sublicense any of the Intellectual Property now owned or hereafter acquired by such Grantor, wherever the same may be located. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the maintenance, compilation or printout thereof.
- (c) Reassignment to Grantor. If (i) an Event of Default has occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default has occurred and be continuing, (iii) an assignment or other transfer to the Secured Party of any rights, title and interests in and to the Intellectual Property has been previously made and has become absolute and effective, and (iv) the Secured Obligations shall

not have become immediately due and payable, upon the written request of any Grantor, the Secured Party shall promptly execute and deliver to such Grantor, at such Grantor's sole cost and expense, such assignments or other transfer as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Secured Party as aforesaid, subject to any disposition thereof that may have been made by the Secured Party; provided, after giving effect to such reassignment, the Secured Party's security interest granted pursuant hereto, as well as all other rights and remedies of the Secured Party granted hereunder, shall continue to be in full force and effect; provided further, the rights, title and interests so reassigned shall be free and clear of any other Liens granted by or on behalf of the Secured Party.

- 7.6. <u>Marshalling</u>. The Secured Party shall not be under any obligation to marshal any assets in favor of any Grantor or any other Person or against or in payment of any or all of the Secured Obligations.
- 7.7. <u>Application of Proceeds</u>. If the Secured Obligations shall have been accelerated pursuant to Section 7.2 of the Credit Agreement, all payments and proceeds received by the Secured Party hereunder in respect of any of the Secured Obligations shall be applied in accordance with Section 7.3 of the Credit Agreement.
- 7.8. Specific Performance. Each Grantor further agrees that a breach of any of the covenants contained in this Section 7 will cause irreparable injury to the Secured Party, that the Secured Party has no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 7 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no default has occurred giving rise to the Secured Obligations becoming due and payable prior to their stated maturities; provided, nothing in this Section 7.8 shall in any way limit the rights of the Secured Party under this Agreement or under any other Credit Document.

SECTION 8. TERMINATION AND RELEASE.

Upon the payment in full of all Secured Obligations (other than any Remaining Obligations) and the cancellation or termination of the Commitment, the security interest granted hereby shall automatically terminate hereunder and of record and all rights to the Collateral shall revert to Grantors. Upon any such termination the Secured Party shall, at Grantors' expense, execute and deliver to Grantors or otherwise authorize the filing of such documents as Grantors shall reasonably request, including financing statement amendments to evidence such termination. Upon any disposition of property permitted by the Credit Agreement, the Liens granted herein shall be deemed to be automatically released and such property shall automatically revert to the applicable Grantor with no further action on the part of any Person. The Secured Party shall, at Grantor's expense, execute and deliver or otherwise authorize the filing of such documents as Grantors shall reasonably request, in form and substance reasonably satisfactory to the Secured Party, including financing statement amendments to evidence such release.

SECTION 9. MISCELLANEOUS.

- 9.1. Notices. All notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile (a) if to the Secured Party, to it at its address (or facsimile number) set forth on Appendix A to the Credit Agreement and (b) if to any Grantor, to it at the Borrower's address (or facsimile number) set forth on Appendix A to the Credit Agreement. Notices sent by hand or overnight courier service or mailed by certified or registered mail shall be deemed to have been given when received; notices sent by facsimile shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient).
- 9.2. Expenses. Each Grantor agrees to pay promptly all costs and expenses of the Secured Party as set forth in Section 8.2 of the Credit Agreement, as if such Grantor were the "Borrower" thereunder.
- 9.3. <u>Indemnity</u>. Each Grantor agrees to indemnify the Secured Party as set forth in Section 8.3 of the Credit Agreement, as if such Grantor were the "Borrower" thereunder.
- 9.4. <u>Amendments and Waivers</u>. Any amendment, modification, termination or waiver of this Agreement shall be effective only if made in accordance with Section 8.5 of the Credit Agreement.
- 9.5. Successors and Assigns. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the successors and assigns of the Secured Party. No Grantor's rights or obligations hereunder nor any interest therein may be assigned or delegated by such Grantor without the prior written consent of the Secured Party. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated by the Credit Agreement, Affiliates of the Bank) any legal or equitable right, remedy or claim under or by reason of this Agreement.
- 9.6. <u>Independence of Covenants</u>. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.
- 9.7. <u>Survival of Representations, Warranties and Agreements</u>. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension.
- 9.8. <u>No Waiver; Remedies Cumulative</u>. No failure or delay on the part of the Secured Party in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power,

right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to the Secured Party hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

- 9.9. <u>Severability</u>. In case any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.
- **9.10.** <u>Headings</u>. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.
- 9.11. Applicable Law. This Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement and the transactions contemplated hereby and thereby shall be governed by, and construed in accordance with, the law of the State of California.
- Consent to Jurisdiction. Each Grantor irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Secured Party or any Related Party thereof in any way relating to this Agreement or the transactions relating hereto, in any forum other than the courts of the State of California sitting in Los Angeles County, and of the United States District Court for the Central District of California, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such California State court or, to the fullest extent permitted by applicable law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Secured Party may otherwise have to bring any action or proceeding relating to this Agreement against any Grantor or its properties in the courts of any jurisdiction. Each Grantor irrevocably and unconditionally waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement in any court referred to herein. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.1. Nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law.
- 9.13. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY

APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

- 9.14. Judicial Reference. The parties hereto prefer that any legal proceeding directly or indirectly arising out of or relating to this Agreement or the transactions contemplated (whether based on contract, tort or any other theory) be resolved in litigation subject to the jury-trial waiver set forth in Section 9.13. If, however, a pre-dispute jury-trial waiver of the type provided for in that section is unenforceable in a court of the State of California at the time of any such proceeding, then (a) the court shall, and is hereby directed by the parties to, make a general reference pursuant to California Code of Civil Procedure Section 638 to a single referee (who shall be an active or retired judge) to hear and determine all of the issues in such proceeding (whether of fact or law) and to report a statement of decision; provided, however, that, at the option of any party to such proceeding, any issues pertaining to a "provisional remedy" as defined in California Code of Civil Procedure Section 1281.8 shall be heard and determined by the court, and (b) without limiting the generality of Section 9.2, the Borrower shall be solely responsible to pay all fees and expenses of any referee appointed in such proceeding.
- 9.15. <u>Counterparts</u>. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (*i.e.*, "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.
- 9.16. <u>No Strict Construction</u>. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement.
