GRANT OF SECURITY INTEREST
IN UNITED STATES MARKS

This GRANT OF SECURITY INTEREST IN UNITED STATES MARKS, dated as of February 2, 2017, ("Mark Security Interest"), by AIRXCEL, INC., DICOR CORPORATION, INC., UNITED SHADE, LLC and VIXEN COMPOSITES, LLC (individually, a "Grantor" and, collectively, the "**Grantors**"), is in favor of U.S. BANK NATIONAL ASSOCIATION, located at 1349 W. Peachtree Street, Suite 1050, Atlanta, GA 30309, in its capacity as collateral agent pursuant to the Indenture (in such capacity, the "**Collateral Agent**").

WITNESSETH:

WHEREAS, the Grantors are party to a Security Agreement dated as of February 2, 2017 (the "Security Agreement") in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Mark Security Interest;

NOW, THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor and the Collateral Agent hereby agree as follows:

SECTION 1. Defined Terms. Capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Mark Collateral. As collateral security for the full and complete payment and performance of all the Secured Obligations, each Grantor hereby pledges and grants to the Collateral Agent, for the benefit of the Secured Parties, a continuing security interest in all of the estate, right, title and interest of such Grantor in, to and under all of the following, or in which or to which such Grantor has any rights, in each case whether now existing or hereafter from time to time acquired by any Grantor (collectively, the

"Mark Collateral," including, without limitation, the Mark Collateral listed on Schedule A attached hereto): all right, title and interest in and to any trademarks, service marks and trade names, including (i) any registration or application for registration of any trademarks and service marks, which are registered or filed in the PTO or the equivalent thereof in any state of the United States, including all renewals; (ii) any unregistered trademarks and service marks and any trade dress including logos, designs, fictitious business names and other business identifiers (including, without limitation, those listed on Schedule A attached hereto) in the United States; (iii) the goodwill of the business symbolized thereby; (iv) all causes of action arising prior to or after the date hereof for infringement of any of the foregoing Marks or unfair competition regarding the same; and (v) all Proceeds and products of any and all of the foregoing; provided, that in no event shall the Mark Collateral include any Excluded Assets. For the avoidance of doubt, in no event shall the Mark Collateral include any intent-to-use trademark or service mark application filed in the PTO pursuant to 15 U.S.C. § 1051(b) unless and until a "Statement to Use" or "Amendment to Allege Use" with respect thereto is filed pursuant to 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), and accepted by the PTO, to the extent that the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark or service mark application under, or would otherwise violate, applicable federal law.

SECTION 3. Security Agreement. The lien and security interest granted pursuant to this Mark Security Interest is granted in conjunction with the lien and security interest granted to the Collateral Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the lien and security interest in the Mark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Mark Security Interest is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

SECTION 4. Termination. After the Termination Date, this Mark Security Interest shall automatically terminate and the Collateral Agent, at the request and expense of the respective Grantor, (i) will promptly execute and deliver to such Assignor a proper instrument or instruments acknowledging the satisfaction and termination of this Mark Security Interest, (ii) will duly assign, transfer and deliver to such Grantor (without recourse and without any representation or warranty) such of the Mark Collateral as may be in the possession of the Collateral Agent and as has not theretofore been sold or otherwise applied or released pursuant to this Mark Security Interest, and (iii) will take all other actions reasonably requested by such Grantor to evidence the satisfaction and termination of this Mark Security Interest.

SECTION 5. GOVERNING LAW. THIS MARK SECURITY INTEREST AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAW OF THE STATE OF NEW YORK. ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS MARK SECURITY INTEREST OR ANY OTHER INDENTURE DOCUMENT MAY BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF NEW YORK LOCATED IN NEW YORK COUNTY, AND, BY EXECUTION AND DELIVERY OF THIS MARK SECURITY INTEREST, EACH PARTY HERETO HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE NON-EXCLUSIVE JURISDICTION OF THE AFORESAID COURTS.

SECTION 6. Intercreditor Agreement. Notwithstanding anything herein to the contrary, the priority of the lien and security interest granted to the Collateral Agent pursuant to this Mark Security Interest and the Indenture Collateral Documents (as defined therein) and the exercise of any right or remedy by the Collateral Agent hereunder and thereunder are subject to the provisions of the Intercreditor Agreement, dated February 2, 2017, by and between: (i) U.S. Bank National Association, as Collateral Agent (and its successors and assigns), for the benefit

of Secured Parties (as defined therein) and (ii) Citizens Bank of Pennsylvania., as Credit Facility Agent (and its successors and assigns), for the benefit of the holders from time to time of the Credit Facility Claims (as defined therein). In the event of any conflict between the terms of the Intercreditor Agreement and this Mark Security Interest with respect to lien priority or rights and remedies in connection with the Common Collateral (as defined in the Intercreditor Agreement), the terms of the Intercreditor Agreement shall govern.

SECTION 7. Counterparts. This Mark Security Interest may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Issuer and the Collateral Agent.
