Re: Ratification and Amendment of Grant of Security Interest in Trademarks

Ladies and Gentlemen:

Reference is made to that certain Grant of Security Interest in Trademarks, dated March 7, 2012 (as amended, restated, renewed, replaced, supplemented or otherwise modified from time to time, the "Trademark Agreement"), executed by TRAFFICWARE, LLC ("Grantor") in favor of ALLY COMMERCIAL FINANCE LLC, in its capacity as Administrative Agent ("Agent") for the lenders party to the Existing Loan Agreement referred to below, which such Trademark Agreement was executed in connection with that certain Loan and Security Agreement, dated March 7, 2012, by and among Trafficware Group, Inc. f/k/a Naztec, Inc., Trafficware and ATS Intermediate Holdings, Inc. (individually and collectively "Borrowers", and each individually a "Borrower"), Agent, and the Lenders party thereto (the "Existing Loan Agreement").

Reference is also made to the Amended and Restated Loan and Security Agreement, dated the date hereof, by and among Borrowers, Agent and the Lenders party thereto (as amended, restated, renewed, replaced, supplemented or otherwise modified from time to time, the "Restated Loan Agreement") which Restated Loan Agreement amends and restates in its entirety the Original Loan Agreement.

Grantor hereby (i) acknowledges and consents to the execution and delivery of the Restated Loan Agreement and (ii) confirms that the "Loan Agreement" referred to in the Trademark Agreement shall mean the Restated Loan Agreement.

In addition to the foregoing, the Trademark Agreement is hereby amended as follows:

Schedule A to the Trademark Agreement is hereby amended and restated in its entirety and replaced with the schedule attached hereto.

Except as specifically set forth herein, no other modifications or amendments to the Trademark Agreement are intended or implied, and in all other respects each of the Trademark Agreement shall continue in full force and effect in accordance with its terms as of the date hereof.

Nothing in this agreement shall be deemed to prejudice, waive, compromise, discharge or otherwise affect any and all claims, security interests, rights and remedies which Agent now has or may hereafter have against any person not a party hereto or any of such person's assets, under applicable law or otherwise, all of which are hereby expressly reserved.

This agreement constitutes a continuing obligation and shall be binding upon Grantor and its successors and assigns and shall inure to the benefit of and be enforceable by Agent and the Lenders and their respective successors, endorsees, transferees and assigns.

Grantor hereby agrees that it shall, from time to time, execute and deliver any and all additional and/or supplemental instruments, and do such other acts and things, as may be necessary or desirable to affect the purposes of this agreement, and the consummation of the transactions contemplated hereby.

This agreement sets forth the entire agreement and understanding of Grantor and Agent with respect to the matters set forth herein, and supersedes any and all prior agreements and understandings of the parties hereto with respect to the foregoing, and this agreement cannot be changed, modified, amended or terminated except in writing executed by the party to be charged.
