## TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of December 15, 2016 (this “Agreement”), is made by Animal Supply Company LLC, a Washington limited liability company (the “Grantor”), and Bank of America, N.A., as administrative agent (“Agent”). Reference is made to the Loan and Security Agreement dated as of December 15, 2016 (as amended, supplemented or otherwise modified from time to time, the “Loan Agreement”), among the Grantor as the Borrower, the Lenders (defined therein) from time to time party thereto and Agent.

Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Loan Agreement. The obligation of Lenders to extend such credit is conditioned upon, among other things, the execution and delivery of this Agreement. The Grantor will derive substantial benefits from such extension of credit pursuant to the Loan Agreement and is willing to execute and deliver this Agreement in order to induce Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Loan Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, the Grantor pursuant to the Loan Agreement did, and hereby does, grant to Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by the Grantor or in, to or under which the Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the “Trademark Collateral”):

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States of America or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I hereto;
- (b) all goodwill associated therewith or symbolized thereby; and
- (c) all other assets, rights and interests that uniquely reflect or embody such goodwill.

SECTION 3. Furtherance of Interests. The security interests granted to Agent herein are granted in furtherance, and not in limitation of, the security interests granted to Agent pursuant to the Loan Agreement and the other Loan Documents. Grantors hereby acknowledge and affirm that the rights and remedies of Agent with respect to the Trademark Collateral are more fully set forth in the Loan Agreement and the other Loan Documents, the terms and provisions of which

are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Loan Agreement, the terms of the Loan Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
