SECOND LIEN TRADEMARK SECURITY AGREEMENT

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Second Lien Trademark Security Agreement") dated April 26, 2017, is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of CORTLAND CAPITAL MARKET SERVICES LLC, as Second Lien Collateral Agent (the "Second Lien Collateral Agent") for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Second Lien Credit Agreement and the Second Lien Security Agreement referred to herein.

WHEREAS, NBG INTERMEDIATE HOLDINGS INC., a Delaware corporation ("Holdings"), NBG ACQUISITION INC., a Delaware corporation (the "Initial Borrower"), which shall be merged with and into KNB HOLDINGS CORPORATION, a Delaware corporation (the "Company"), with the Company surviving the merger and resulting in the Company being the "Borrower" (together with its permitted successors and assigns) and succeeding to all the rights and obligations of the Initial Borrower thereunder and under the other Loan Documents upon, and at all times after, the consummation of the Merger, the Company, CORTLAND CAPITAL MARKET SERVICES LLC, as administrative agent (in such capacity, and together with its successors and permitted assigns, the "Administrative Agent"), and the Second Lien Collateral Agent, and each lender from time to time party thereto (collectively, the "Lenders" and, each individually, a "Lender") have entered into the Second Lien Credit Agreement dated as of April 26, 2017 (the "Closing Date") (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the "Second Lien Credit Agreement"), pursuant to which the Lenders have severally agreed to make Loans to the Borrower upon the terms and subject to the conditions therein.

WHEREAS, in connection with the Second Lien Credit Agreement, the Grantors have entered into the Second Lien Security Agreement dated as of the Closing Date (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Second Lien Security Agreement") in order to induce the Lenders to make Loans.

WHEREAS, under the terms of the Second Lien Security Agreement, the Grantors have granted to the Second Lien Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Second Lien Trademark Security Agreement for recording with the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. As security for the payment or performance, as the case may be, in full of the Obligations, each Grantor hereby mortgages and pledges to the Second Lien Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, and hereby grants to the Second Lien Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in and to (the "Second Lien Collateral") the registered Trademarks (as defined in the Second Lien Security Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office set forth in Schedule A hereto together with (i) all renewals thereof, (ii) all goodwill associated therewith or symbolized thereby, (iii) all rights to sue or otherwise recover for past, present and future infringements, dilutions or other violations thereof, (iv) all Proceeds of the foregoing, including license fees, royalties, income, payments, claims, damages, proceeds of suit and other payments now or hereafter due and/or payable with respect thereto, and (v) all other rights accruing thereunder or pertaining thereto throughout the world (but excluding any intent-to-use trademark application in the United States prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto with the United States Patent and Trademark Office).

SECTION 2. Security for Obligations. The grant of a security interest in the Second Lien Collateral by each Grantor under this Second Lien Trademark Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this Second Lien Trademark Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents but for the fact that such Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This Second Lien Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Patents and the Commissioner for Trademarks record this Second Lien Trademark Security Agreement.

SECTION 4. Execution in Counterparts. This Second Lien Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This Second Lien Trademark Security Agreement has been entered into in conjunction with the provisions of the Second Lien Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Second Lien Collateral Agent with respect to the Second Lien Collateral are more fully set forth in the Second Lien Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Second Lien Trademark Security Agreement and the terms of the Second Lien Security Agreement, the terms of the Second Lien Security Agreement shall govern.

SECTION 6. Governing Law. THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

SECTION 7. Severability. In case any one or more of the provisions contained in this Second Lien Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Second Lien Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.
