INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, the “IP Security Agreement”) dated as of June 7, 2017, is made by the entities identified as grantors on the signature pages hereto (each individually, a “Grantor” and collectively, the “Grantors”), in favor of HCP-FVF, LLC, a Delaware limited liability company, as collateral agent for itself and the purchasers (the “Collateral Agent”).

WHEREAS, NUMEREX CORP., a Pennsylvania corporation (“Borrower”), the various Guarantors (as defined therein) from time to time party thereto, the Collateral Agent and each Purchaser (as defined therein) party thereto have entered into that certain Note Purchase Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Note Purchase Agreement”). Capitalized terms used and not otherwise defined herein shall have the meanings given such terms in the Note Purchase Agreement.

WHEREAS, as a condition precedent to purchasing Notes by the Purchasers under the Note Purchase Agreement, the Grantors, among others, have executed and delivered in favor of the Purchasers that certain Guaranty and Collateral Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”).

WHEREAS, under the terms of the Security Agreement, each Grantor has granted to the Collateral Agent, for the ratable benefit of the Purchasers and Collateral Agent, a valid and continuing security interest in, among other property, all intellectual property of such Grantor other than the Excluded Property (as defined in the Security Agreement), and has agreed as a condition thereof to execute this IP Security Agreement for recording with the United States Patent and Trademark Office, and other Governmental Authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security.

(i) Each Grantor hereby grants to the Collateral Agent, for the ratable benefit of the Purchasers and the Collateral Agent, a valid and continuing security interest in all of such Grantor’s right, title and interest in and to the following (the “Collateral”):

(1) the patents and patent applications set forth in Schedule A attached hereto (collectively, the “Patents”);

(2) the trademark and service mark registrations and applications set forth in Schedule B attached hereto, together with the goodwill symbolized thereby (the “Trademarks”);

(3) all reissues, divisions, continuations, continuations-in-part, extensions, renewals and reexaminations of any of the foregoing, all rights in the

foregoing provided by international treaties or conventions, all rights corresponding thereto throughout the world and all other rights of any kind whatsoever of such Grantor accruing thereunder or pertaining thereto;

(4) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(5) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral or arising from any of the foregoing; and

(ii) Notwithstanding anything to the contrary set forth herein, the Collateral shall not include any Excluded Property (as defined in the Security Agreement).

SECTION 2. Security for Obligations. The grant of a security interest in the Collateral by each Grantor under this IP Security Agreement secures the prompt and complete payment in cash and performance when due of all Obligations of the Borrower in accordance with the terms of the Note Purchase Agreement, whether direct or indirect, now existing or hereafter arising, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, guarantee obligations, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 3. Recordation. Each Grantor authorizes and requests that the Commissioner for Patents and the Commissioner for Trademarks and any other applicable Governmental Authority record this IP Security Agreement.

SECTION 4. Execution in Counterparts. This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. If, in the event, there is a conflict between the terms of this IP Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall control.

SECTION 6. Governing Law. This IP Security Agreement shall be governed by, construed in accordance with, and enforced under, the laws of the State of New York, without regard to the principles of conflicts of law of such state that would require the application of the law of another jurisdiction.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, each Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

NUMEREX CORP., a Pennsylvania corporation
