TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Trademark Assignment"), dated as of May 22, 2017, is made by Gypsetting LLC, ("Assignor"), a California limited liability company, located at 3759 Latrobe Street Los Angeles, California 90031, and Habitas S.A., Luxembourg Trade and Companies Register (RCS) No. B214704, ("Assignee"), a Luxembourg entity located at 74, Grand-Rue, L-1660, Luxembourg. Assignor and Assignee shall be collectively referred to herein as the "Parties."

WHEREAS, Assignor has conveyed, transferred, and assigned to Assignee, certain intellectual property of Assignor, and has agreed to execute and deliver this Trademark Assignment, for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdictions;

NOW THEREFORE, the Parties agree as follows:

1. Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably conveys, transfers, and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the following (the "Assigned Trademarks"), together with the goodwill of the business connected with the use of, and symbolized by, the Assigned Trademarks:

(a) the trademark registrations and trademark applications set forth on Schedule A hereto and all issuances, extensions, and renewals thereof; provided that, with respect to the United States intent-to-use trademark applications set forth on Schedule A hereto, the transfer of such applications accompany the transfer of Assignor's business, or portion of Assignor's business to which the trademarks pertain and that business is ongoing and existing;

(b) all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

(c) any and all royalties, fees, income, payments, and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(d) any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on, or after the date hereof, including all rights to and claims for damages, restitution, and injunctive and other legal and equitable relief for past, present, and future infringement, dilution, misappropriation, violation, misuse, breach, or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this Trademark Assignment upon request by Assignee. Following the date hereof, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be necessary to effect, evidence, or perfect the assignment of the Assigned Trademarks to Assignee, or any assignee or successor thereto.
