**RELEASE OF SECURITY INTEREST
IN INTELLECTUAL PROPERTY**

This Release of Security Interest in Intellectual Property, dated as of September 1, 2017 (this “**IP Collateral Release**”), is made by **MidCap Financial Trust**, a Delaware Statutory Trust as agent (“**Agent**”) for the Lenders, in favor of **Novadaq Technologies Inc.**, a corporation validly existing under the *Canada Business Corporations Act* and **Novadaq Corp.**, a Delaware corporation (the “**Grantors**”) as follows:

WHEREAS, pursuant to that certain Intellectual Property Security Agreement, dated as of January 6, 2017 (as the same may have been amended, modified, restated, replaced or supplemented from time to time, the “**IP Security Agreement**”; capitalized terms used herein have the definition provided for in the IP Security Agreement), recorded with the United States Patent and Trademark Office on January 9, 2017 at Reel/Frame No. 041306/0189 and at Reel/Frame No. 5962/0407, the Grantors granted Agent, on behalf of the Lenders, a security interest in and to all of its right, title and interest in all of the Grantors’ patents and patent applications, including those listed in Schedule A thereto;

WHEREAS, the Grantors have requested that Agent release its security interest in and to the patent assets as more particularly described on Schedule A attached hereto (the “**Released Patents**”).

WHEREAS, the Grantors have requested that Agent release its security interest in and to the trademark assets as more particularly described on Schedule B attached hereto (the “**Released Trademarks**”).

WHEREAS, the Grantors have requested that Agent release its security interest in and to the various intellectual property assets set forth in Sections (a) through (i) of the IP Security Agreement (together with the Released Patents and Released Trademarks, the “**Released IP Collateral**”).

NOW, THEREFORE, Agent, without recourse, representation or warranty and at Grantors’ sole cost and expense, hereby releases all of its right, title and interest in and to the Released IP Collateral.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Agent has caused this IP Release to be duly executed and delivered by its duly authorized officer as of the date first written above.
