TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of September 8, 2017 (this “Agreement”), is made by GetWellNetwork, Inc., a Delaware corporation, and Skylight Healthcare Systems, Inc., a Delaware corporation (each a “Grantor”), with a place of business located at 7700 Old Georgetown Road, 4th Floor, Bethesda, Maryland 20814, in favor of Antares Capital LP, a Delaware limited partnership, with a place of business located at 500 West Monroe Street, Chicago, Illinois 60661, as Administrative Agent for the Secured Parties (in such capacity and together with its successors and assigns in such capacity, the “Administrative Agent”).

WHEREAS, the Grantor entered into a Guarantee and Collateral Agreement dated as of September 8, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”; capitalized terms used but not defined herein shall have the meaning ascribed to such terms in the Collateral Agreement), among the Grantor and each of the other grantors from time to time party thereto and the Administrative Agent, pursuant to which the Grantor granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in the Trademark Collateral (as defined below); and

WHEREAS, pursuant to the Collateral Agreement, the Grantor agreed to execute and deliver this Agreement, in order to record the security interest granted to the Agent for the benefit of the Secured Parties with the United States Patent and Trademark Office.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby agrees with the Agent as follows:

SECTION 1. Grant of Security Interest. The Grantor hereby grants to the Agent, for the benefit of the Secured Parties, a security interest in the U.S. federal trademark registrations and applications set forth on Schedule A hereto, including all goodwill associated therewith and symbolized thereby and all proceeds and products thereof and all rights to sue for past, present and future infringements or other violations thereof (collectively, the “Trademark Collateral”). Notwithstanding the foregoing, no Lien or security interest shall be deemed granted on or in any “intent to use” trademark applications for which a statement of use has not been filed and accepted with the U.S. Patent and Trademark Office.

SECTION 2. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Collateral Agreement, and the Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Collateral Agreement, the provisions of the Collateral Agreement shall control.

SECTION 3. Recordation. The Grantor authorizes and requests that the Director of the United States Patent and Trademark Office and any other applicable government officer record this Agreement.

SECTION 4. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

SECTION 5. Counterparts. This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Agreement to be executed and delivered as of the date first set forth above.
