TRADEMARK SECURITY AGREEMENT dated as of September 29, 2017 (this "Agreement"), among Compass Cayman SPV, LTD., an exempted company incorporated under the laws of the Cayman Islands ("Holdings I"), Global Appliance UK Holdco Limited, a limited liability company incorporated under the laws of England and Wales with registration number 10891700 ("Holdings II"), Global Appliance Inc. (the "Borrower"), the other Subsidiary Grantors from time to time party hereto and JPMorgan Chase Bank, N.A. ("JPMCB"), as Administrative Agent.

Reference is made to (a) the Credit Agreement dated as of September 29, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Holdings I, Holdings II, the Borrower, the Lenders from time to time party thereto and JPMCB, as Administrative Agent, and (b) the Collateral Agreement dated as of September 29, 2017 (the "Collateral Agreement"), among Holdings I, Holdings II, the Borrower, the other Subsidiary Grantors from time to time party thereto and JPMCB, as Administrative Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Banks to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. Holdings I and the Subsidiary Grantors party hereto (other than the Borrower) are Affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Banks to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.03 of the Credit Agreement also apply to this Agreement, *mutatis mutandis*.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor pursuant to the Collateral Agreement did, and hereby does, grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Trademark Collateral" provided, that, for the avoidance of doubt, Trademark Collateral (including any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto) shall exclude any Excluded Asset):

- (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade

dress, logos, other source or business identifiers, designs and general intangibles of like nature, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office, including those listed on Schedule II or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof;

(b) all goodwill associated therewith or symbolized thereby; and

(c) all other assets, rights and interests that uniquely reflect or embody such goodwill.

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 5. Termination. This Agreement and the security interest created hereby shall remain in full force and effect until all of the Secured Obligations (other than (i) contingent obligations for indemnification, expense reimbursement, tax gross up or yield protection as to which no claim has been made, (ii) Secured Hedging Obligations not yet due and payable or otherwise permitted to survive the termination of the Credit Agreement and (iii) Secured Cash Management Obligations not yet due and payable or otherwise permitted to survive the termination of the Credit Agreement) have been paid in full in cash, the Lenders have no further commitment to lend under the Credit Agreement, the LC Exposure has been reduced to zero (including as a result of obtaining consents of the applicable Issuing Banks as described in Section 9.05 of the Credit Agreement) and the Issuing Banks have no further obligations to issue, amend or extend Letters of Credit under the Credit Agreement.

SECTION 6. Release. If any Trademark Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement (other than to any other Person required to grant a security interest in such Trademark

Collateral to the Administrative Agent), then such Trademark Collateral shall be released from the Liens created hereby.

SECTION 7. Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
