Trademark Assignment Agreement

This Trademark Assignment Agreement (the "Agreement") is made as of September 25, 2017, (the "Effective Date"), between TiNi Alloy Company, a California Corporation, (the "Assignor"), and TiNi Aerospace, Inc., a California Corporation (the "Assignee").

WHEREAS, the Assignor is the registered owner of the "FRANGIBOLT" trademark registered in the United States Patent and Trademark Office, Registration No. 74/206,090, registration date November 17, 1992 (the "Mark").

WHEREAS, the Assignee wishes to acquire the Assignor's rights in the Mark.

Assignor represents and warrants that:

- 1) Assignor owns the entire right, title and interest in and to the Mark;
- 2) The US Registration for the Mark is currently valid and subsisting and in full force and effect;
- 3) Assignor has not received any notice or claim from a third party that use or registration of the Mark infringes upon any third party rights, either in the US or in any other country;
- 4) Assignor has not licensed the Mark to any other person or entity or granted, either expressly or impliedly, and trademark or servicemark rights with respect to the Mark to any other person or entity;
- 5) There are no liens or security interests against the Mark;
- 6) Assignor has all authority necessary to enter into this Agreement and the execution and delivery of this Agreement has been duly and validly authorized; and
- 7) Execution of this Assignment and performance of Assignors obligations hereunder shall not violate or conflict with any other agreement to which Assignor is a party or provision of Assignor's Certificate of Incorporation or By-laws.

The Assignee agrees to pay the Assignor \$1 consideration, the receipt and sufficiency of which is hereby acknowledged.

In exchange, the Assignor hereby conveys, transfers, and assigns to the Assignee all of the Assignor's right, title, and interest in the mark, together with

1) the goodwill of the business relating to the products and services on which the marks are used and for which they are registered,

2) all income, royalties, and damages hereafter due or payable to Assignor with respect to the marks, including without limitation, damages, and payments for past or future infringements and misappropriations of the marks, and

3) all rights to sue for past, present and future infringement or misappropriations of the marks.

The Assignor further covenants that it will take all actions that may be necessary for securing, completing, or vesting in the Assignee full right, title, and interest in the mark and its related property.

In witness whereof, the Assignor has duly executed under seal and delivered this Assignment, as of the day and year first above written.
