**RELEASE OF SECURITY INTEREST IN TRADEMARKS**

This **RELEASE OF SECURITY INTEREST IN TRADEMARKS** (this "Release") is dated as of November 20, 2017 and delivered by Wells Fargo Bank, National Association, in its capacity as Successor US Agent for the Secured Parties (together with any successors and permitted assigns thereto in such capacity, the "US Agent"), in favor of Shop Vac Corporation and Zellie Properties, Inc. (collectively, the "Grantors" and each a "Grantor"). All capitalized terms used but not otherwise defined herein have the meanings given to them in the Trademark Security Agreement (as defined below) and if not defined therein, then the meanings given in the Guarantee and Collateral Agreement (as defined below), the Credit Agreement (as defined below), or the Substitution Agreement (as defined below), as the case may be.

**WHEREAS**, pursuant to that certain Credit Agreement dated as of December 24, 2013 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement"), the Grantor and General Electric Company as successor by merger to General Electric Capital Corporation (the "Predecessor Agent"), entered into that certain US Guarantee and Collateral Agreement dated as of December 24, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Guarantee and Collateral Agreement") and that certain Trademark Security Agreement, dated as of December 24, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the "Trademark Security Agreement");

**WHEREAS**, the Trademark Security Agreement was recorded (i) with the United States Patent and Trademark Office on December 31, 2013; and (ii) with the Canadian Intellectual Property office on August 5, 2014;

**WHEREAS**, pursuant to the Trademark Security Agreement, each Grantor pledged and granted to the US Agent, for the ratable benefit of the Secured Parties, a security interest (the "Security Interest") in all right, title or interest in or to any and all of the following assets and properties then owned or at any time thereafter acquired by such Grantor or in which such Grantor then had or at any time thereafter may have acquired any right, title or interest (collectively, the "Trademark Collateral"): (a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, then existing or thereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including those registrations and registration applications in the United States Patent and Trademark Office (or any successor office) and Canadian Intellectual Property Office referred to on Schedule I attached hereto, but excluding any "intent to use" trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law (the "Trademarks"), (b) all goodwill associated with or symbolized by the Trademarks, and (c) all other assets, rights and interests that uniquely reflect or embody such Trademarks;

**WHEREAS**, pursuant to that certain Resignation and Agency Substitution Agreement, dated as of March 1, 2016 (the "Substitution Agreement") among, inter alia, the Predecessor Agent and the US Agent, (i) the Predecessor Agent resigned from its duties and obligations under the Credit Agreement and (ii) the US Agent was appointed as successor to the Predecessor Agent and assigned all the rights, powers, privileges and duties of the Predecessor Agent under the Credit Agreement and the other Loan Documents; and

**WHEREAS**, the US Agent acknowledges the full payment and performance of the Obligations, and as a result desires to terminate and release the Security Interest in the Trademark Collateral.

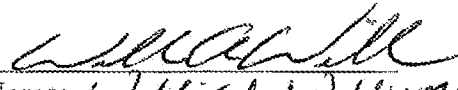

**NOW, THEREFORE**, for and in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the US Agent, on behalf of itself and the Secured Parties, hereby terminates, releases and forever discharges the Security Interest in the Trademark Collateral, and retransfers and reassigns to each Grantor, as applicable and without representation or warranty of any kind, express or implied, free and clear of any claims by US Agent, all right, title or interest of the US Agent in, to or under the Trademark Collateral of such Grantor.

This Release shall be governed by and construed in accordance with the laws of the State of New York.
