**TRADEMARK ASSIGNMENT AGREEMENT**

This Trademark Assignment Agreement (the "Assignment") dated as of February 22, 2017 (the "Effective Date"), is made by and between Stanley Security Solutions, Inc., an Indiana corporation ("Assignor") and BEST Access Solutions, Inc., a Delaware corporation ("Assignee").

WITNESSETH:

WHEREAS, one of Assignor's and Assignee's affiliates entered into that certain Acquisition Agreement, dated as of December 20, 2016 (the "Acquisition Agreement"); and

WHEREAS, pursuant to the Acquisition Agreement, Assignee shall purchase and accept and Assignor shall transfer and assign to Assignee all of Assignor's right, title and interest in, to and under certain trademarks, and any registrations thereof or applications therefor, as listed in Schedule A hereto, and including all goodwill associated therewith (the "Trademarks").

NOW, THEREFORE, in consideration of the promises and covenants set forth herein and in the Acquisition Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1.1 Assignment. Assignor hereby sells, transfers, conveys, assigns and delivers to Assignee, and Assignee hereby purchases and accepts from Assignor, all of Assignor's right, title and interest in and to the Trademarks, together with all causes of action, past, present and future related to the Trademarks, including all right to damages and profits, due or accrued, throughout the world. Assignor further consents to recordation of this Assignment by Assignee, including with the U.S. Patent and Trademark Office or other similar foreign office.

Section 1.2 Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate government entity. At Assignee's sole cost and expense, Assignor shall execute and deliver such other documents and take all other actions which Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment and to perfect Assignee's right, title and interest in and to the Trademarks, including, without limitation, its recordation in relevant trademark offices anywhere in the world.

Section 1.3 EXCLUSION OF WARRANTIES. EXCEPT AS EXPRESSLY PROVIDED IN THE ACQUISITION AGREEMENT, THERE ARE NO REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, REGARDING THIS AGREEMENT OR THE SUBJECT MATTER HEREOF, AND ANY REPRESENTATIONS OR WARRANTIES RELATING TO THIS AGREEMENT OR THE SUBJECT MATTER HEREOF ARE HEREBY DISCLAIMED.

Section 1.4 General Provisions. This Assignment and the Acquisition Agreement constitute the entire understanding and agreement of the parties hereto with respect to the

subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. Nothing contained in this Assignment supersedes, alters or modifies any of the obligations, agreements, covenants or warranties of Assignor or Assignee under the Acquisition Agreement (all of which survive the execution and delivery of this Assignment as provided and subject to the limitations set forth in the Acquisition Agreement). In the event of any conflict between the terms of this Assignment and the terms of the Acquisition Agreement, the terms of the Acquisition Agreement shall control. This Assignment shall not be interpreted to broaden the scope of Assignee's rights with respect to the Trademarks beyond those rights provided in the Acquisition Agreement. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective parties and their assigns, transferees and successors.

Section 1.5 Governing Law; Jurisdiction and Venue. This Assignment shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction. Both Assignee and Assignor hereby consent to and submit to the exclusive jurisdiction and venue of the federal and state courts located in the State of New York for enforcement or interpretation of this Assignment, and for any disputes under or arising out of this Assignment.

Section 1.6 Counterparts. This Assignment may be executed in counterparts, each of which will be an original as regards any party whose signature appears thereon and both of which together will constitute one and the same instrument.

[Signature Page Follows]

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed as of the date first written above by their respective officers thereunto duly authorized.

STANLEY SECURITY SOLUTIONS, INC.
