TRADEMARK SECURITY AGREEMENT dated as of December 29, 2017 (this "Agreement"), by and among American Woodmark Corporation, a Virginia corporation (the "Borrower"), certain Subsidiaries of the Borrower as identified on the signature pages hereto (such Subsidiaries, collectively with the Borrower, the "Grantors") and Wells Fargo Bank, National Association ("Wells Fargo Bank"), as Administrative Agent.

Reference is made to (a) the Credit Agreement dated as of December 29, 2017, (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), by and among the Borrower, the Lenders from time to time party thereto and Wells Fargo Bank, as Administrative Agent and (b) the Collateral Agreement dated as of December 29, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the "Collateral Agreement"), by and among the Borrower, the other Grantors from time to time party thereto and Wells Fargo Bank, as Administrative Agent. The Lenders and the Issuing Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. The obligations of the Lenders and the Issuing Lenders to extend such credit are conditioned upon, among other things, the execution and delivery of this Agreement. The Grantors party hereto (other than the Borrower) are Affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement and are willing to execute and deliver this Agreement in order to induce the Lenders and the Issuing Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Credit Agreement or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.2 of the Credit Agreement also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor pursuant to the Collateral Agreement did, and hereby does, grant to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in all right, title and interest in, to and under any and all of the following assets now owned or at any time hereafter acquired by such Grantor or in, to or under which such Grantor now has or at any time hereafter may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a)(i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, internet domain names, trade styles, service marks, logos, other business identifiers, whether registered or unregistered, designs and general intangibles of like nature, all registrations and recordings thereof, and all applications in connection therewith (other than each application to register any trademark or service mark prior to the filing under Applicable Law of a verified

statement of use for such trademark or service mark) anywhere in the world, including, without limitation, those listed in Schedule I, (ii) all reissues, extensions, continuations (in whole or in part) and renewals of any of the foregoing, (iii) all income, royalties, damages and payments now or hereafter due and/or payable under any of the foregoing or with respect to any of the foregoing, including, without limitation, damages or payments for past, present or future infringements of any of the foregoing, (iv) the right to sue for past, present or future infringements of any of the foregoing and (v) all rights corresponding to any of the foregoing (including the goodwill and all other assets, rights and interests that uniquely reflect or embody such goodwill) throughout the world; and

(b) all exclusive Trademark Licenses under which any Grantor is a licensee, including, without limitation, those referred to in Schedule I.

SECTION 3. Collateral Agreement. The security interests granted to the Administrative Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Administrative Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.
