TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT**, dated as of January 24, 2018 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Trademark Security Agreement”), is made by GSE Environmental, LLC (the “Grantor”) in favor of National Bank of Canada, as administrative agent (in such capacity and together with its permitted assignees and any successors, the “Secured Party”) for itself and for the Finance Parties (as defined in the Credit Agreement).

W I T N E S S E T H :

WHEREAS, in connection with the Credit Agreement, the Grantor has entered into that certain Pledge and Security Agreement, dated as of December 20, 2017, (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Pledge and Security Agreement”) between the Grantor and the Secured Party pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of the Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Trademark Security Agreement, including its preamble and recitals, have the meanings provided to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest. As security for the Secured Obligations, the Grantor hereby pledges and grants to the Secured Party, for itself and the Finance Parties, a continuing security interest in all of the following property, whether now or hereafter existing or acquired by the Grantor (the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the USPTO (or any successor office) or any similar offices in any State of the United States, and all extensions or renewals thereof, including the registrations and application referred to in Item A of Schedule I hereto (collectively, “Trademarks”);

(b) any and all agreements providing for the granting of any right in or to Trademarks (whether the Grantor is licensee or licensor thereunder) including those referred to in Item B of Schedule I hereto (collectively, “Trademark Licenses”);

(c) all extensions or renewals of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License;

(e) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill; and

(f) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit.

Notwithstanding the foregoing, the Trademark Collateral shall not include any Excluded Property.

SECTION 3. Security Agreement. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. This Trademark Security Agreement has been executed and delivered by the Grantor for the purpose of recording the security interest of the Secured Party for itself and the Financing Parties in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party for itself and the Financing Parties under the Pledge and Security Agreement.

SECTION 4. Counterparts. This Trademark Security Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

SECTION 5. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND ANY CLAIMS, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS TRADEMARK SECURITY AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY AND THEREBY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.
