**GRANT OF SECURITY INTEREST IN TRADEMARKS**

WHEREAS, Quest Products, LLC, a Delaware limited liability company (the “Grantor”), owns trademarks, trademark registrations, trademark applications, trademark licenses, and any and all goodwill associated therewith, as set forth on Schedule A attached hereto; and

WHEREAS, MB Financial Bank, N.A., as “Administrative Agent” under the Credit Agreement and the Guaranty and Collateral Agreement referred to below (the “Grantee”), desires to acquire a security interest in, and lien on, all of Grantor’s right, title and interest in and to Grantor’s trademarks, trademark registrations, trademark applications, trademark licenses, and any and all goodwill associated therewith; and

WHEREAS, the Grantor is willing to grant to the Grantee a security interest in and lien upon the trademarks, trademark registrations, trademark applications, trademark licenses and any and all goodwill associated therewith as described above,

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, and subject to the terms and conditions of the Credit Agreement, dated as of February 16, 2018, by and among, *inter alia*, the Grantor, Clinere Products, LLC, a Delaware limited liability company (“Clinere”), Quest Consumer Health Holdings, LLC, a Delaware limited liability company (“Holdings”), and the Grantee (as amended, restated, or otherwise modified from time to time, the “Credit Agreement”; capitalized terms used but not defined herein shall have the meanings assigned to them in the Credit Agreement) and the Guaranty and Collateral Agreement, dated as of February 16, 2018, by and among, *inter alia*, the Grantor, Clinere, Holdings, and the Grantee (as amended, restated, or otherwise modified from time to time, the “Guaranty and Collateral Agreement”), the Grantor hereby grants to the Grantee a security interest in, and a lien upon, all of the Grantor’s right, title and interest in and to (i) the trademarks, trademark registrations, trademark applications, trademark licenses, and any and all goodwill associated therewith (the “Trademarks”) set forth on Schedule A attached hereto, together with (ii) all Proceeds (as such term is defined in the Guaranty and Collateral Agreement) of the Trademarks, and (iii) all causes of action, past, present and future, for infringement, or dilution of any of the Trademarks.

This GRANT OF SECURITY INTEREST IN TRADEMARKS (this “Grant of Security Interest”) is made to secure the satisfactory performance and payment of all the Obligations (as such term is defined in the Credit Agreement) of the Grantor and shall be effective as of the Closing Date (as defined in the Credit Agreement).

This Grant of Security Interest has been granted in conjunction with the security interest granted to Grantee under the Guaranty and Collateral Agreement. The rights and remedies of the Grantee with respect to the security interest granted herein are without prejudice to those set forth in the Guaranty and Collateral Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant of Security Interest are deemed to conflict with the Credit Agreement or Guaranty and Collateral Agreement, the provisions of the Credit Agreement or Guaranty and Collateral Agreement, as applicable, shall govern.

This Grant of Security Interest shall be a contract made under and governed by the internal laws of the state of Illinois applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

*[Signature Page to Follow]*

IN WITNESS WHEREOF, the undersigned have executed this Grant of Security Interest in Trademarks as of the date of the Credit Agreement.
