NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

(Trademarks, Trademark Registrations, Trademark Applications and Trademark Licenses)

April 18, 2018

WHEREAS, EB IP HOLDINGS LLC, a Delaware limited liability company (herein referred to as the “*Grantor*”) owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below); and

WHEREAS, EmployBridge, LLC (the “*Company*”), EmployBridge Holding Company, the Lenders party thereto, and Credit Suisse AG, Cayman Islands Branch, as Collateral Agent, are parties to a Credit Agreement dated as April 18, 2018 (as amended from time to time, the “*Credit Agreement*”); and

WHEREAS, pursuant to (a) a Guarantee and Collateral Agreement dated as of April 18, 2018 (as amended and/or supplemented from time to time, the “*Security Agreement*”) among the Borrowers, the other Guarantors party thereto and Credit Suisse AG, Cayman Islands Branch, as Collateral Agent (in such capacity, together with its successors in such capacity, the “*Grantee*”) for the Secured Parties referred to therein, and (b) certain other Security Documents (including this Notice of Grant of Security Interest in Trademarks), the Grantor has secured certain of its Obligations and guaranteed certain obligations of the Company and the other Guarantors, as applicable, and secured such guarantee by granting to the Grantee for the benefit of such Secured Parties a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Trademark Collateral (as defined below); and

WHEREAS, capitalized terms used but not otherwise defined herein shall have the meanings given to them in the Security Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor, in order to secure all Obligations, hereby grants to the Grantee, for the benefit of the Secured Parties, a continuing security interest in all of the Grantor’s right, title and interest in, to and under all of the following property of such Grantor, as the case may be, whether now owned or existing or hereafter acquired or arising and regardless of where located (collectively, the “*Trademark Collateral*”): (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, brand names, trade dress, domain names, global top level domain names, and any other source or business identifiers protected under the laws of the United States or any State thereof or any other country or political subdivision thereof, (ii) the goodwill of the business symbolized thereby or associated therewith, (iii) all registrations and applications therefor, including registrations and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, including those referred to in Schedule 1 hereto; and (iv) all renewals of any of the foregoing; *provided*, that no security interest

shall be created in, and the term "Trademark Collateral" shall not include any Excluded Assets; *provided, further* that the foregoing security interests shall immediately attach to, and the Trademark Collateral shall immediately include, any such asset (or portion thereof) upon such asset (or such portion) ceasing to be an Excluded Asset.

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Grantee pursuant to the Security Agreement, and is expressly subject to the terms and conditions thereof. The Grantor acknowledges and affirms that the rights and remedies of the Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein and which shall override the terms hereof in the event of a conflict.

This Notice of Grant of Security Interest in Trademarks has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office (and any successor office).

This Notice of Grant of Security Interest in Trademarks may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together constitute a single contract. Delivery of an executed counterpart of a signature page of this Notice of Grant of Security Interest in Trademarks by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Notice of Grant of Security Interest in Trademarks.

THIS NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Notwithstanding anything herein to the contrary, the Liens and security interests granted to the Grantee pursuant to this Notice of Grant of Security Interest in Trademarks and the exercise of any right or remedy by the Grantee hereunder, in each case, with respect to the Trademark Collateral are subject to the limitations and provisions of the ABL Intercreditor Agreement. In the event of any conflict between the terms of the ABL Intercreditor Agreement and the terms of this Notice of Grant of Security Interest in Trademarks with respect to the Trademark Collateral, the terms of the ABL Intercreditor Agreement shall govern and control; *provided* that the ABL Intercreditor Agreement shall not be construed, by its terms, to modify any security interest granted pursuant hereto.

[The remainder of this page has been intentionally left blank]

IN WITNESS WHEREOF, the Grantor has caused this Notice of Grant of Security Interest in Trademarks to be duly executed by its officer thereunto duly authorized as of the date first written above.
