TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this “**Agreement**”), dated as of May 31, 2018, is made by the Grantors (as identified below), in favor of Ares Capital Corporation, as the Collateral Agent for the Secured Parties (in such capacity, together with its successors and assigns, the “**Collateral Agent**”).

WHEREAS, **AIRE SERV LLC** a Texas limited liability company, **DWYER FRANCHISING LLC**, a Delaware limited liability company, **THE DWYER GROUP, INC.**, a Delaware corporation, **FIVE STAR PAINTING, LLC**, a Delaware limited liability company, **FOR FRANCHISING, LLC**, an Ohio limited liability company, **GLASS OPERATING LLC**, a Delaware limited liability company, **HANDLED.COM LLC**, a Delaware limited liability company, **HARMON AUTOGLASS INTELLECTUAL PROPERTY LLC**, a Delaware limited liability company, **MOLLY MAID, LLC**, a Michigan limited liability company, **MR. APPLIANCE LLC**, a Texas limited liability company, **MR. ELECTRIC LLC**, a Texas limited liability company, **MR. HANDYMAN INTERNATIONAL, L.L.C.**, a Michigan limited liability company, **MR. ROOTER LLC**, a Texas limited liability company, **PROPERTY MANAGEMENT BUSINESS SOLUTIONS, LLC**, a Utah limited liability company, **PROTRADENET, LLC**, a Delaware limited liability company, **RAINBOW INTERNATIONAL LLC**, a Texas limited liability company, **SERVICE BRANDS INTERNATIONAL, L.L.C.**, a Michigan limited liability company, **SYNERGISTIC INTERNATIONAL LLC**, a Texas limited liability company, **THE DWYER GROUP LLC**, a Delaware limited liability company, and **THE GROUNDS GUYS LLC**, a Texas limited liability company (each, a “**Grantor**” and collectively, the “**Grantors**”), owns the Trademark Collateral (as defined below and as set forth in the schedule attached hereto); and

WHEREAS, each Grantor is party to a Security Agreement, dated as of May 31, 2018 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “**Security Agreement**”), among the Grantors, the other grantors party thereto and the Collateral Agent, pursuant to which the Grantors granted a security interest to the Collateral Agent in the Trademark Collateral and is required to execute and deliver this Trademark Security Agreement (this “**Agreement**”).

Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantors to the Collateral Agent pursuant to the Security Agreement, each Grantor hereby grants to the Collateral Agent a security interest in all of each such Grantor’s right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, developed, created or arising and wherever located (collectively, the “**Trademark Collateral**”): all Trademarks (as defined in the Security Agreement) owned by each Grantor, and all goodwill of Grantor’s business symbolized by such Trademarks (including, without limitation, the trademark registered by or applied for in an IP Filing Office set forth on Schedule A annexed hereto).

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted hereunder or under Section 1(a) of the Security Agreement attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing (and acceptance by the United States Patent and Trademark Office) of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest

therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement. All of the terms of the Security Agreement are hereby incorporated by reference. In the event that any provision of this Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

Upon the Termination Date (as defined in the Security Agreement), the security interest granted hereby shall automatically terminate, the Trademark Collateral shall be automatically released, this Agreement shall terminate, and all rights to the Trademark Collateral shall revert to each Grantor (as applicable), all without delivery of any instrument or performance of any act by any Person; provided, however, at any Grantor's request, the Collateral Agent shall execute, acknowledge, and deliver to the Grantor (or Grantors, as applicable) an instrument in writing confirming the release and termination of the security interest in the Trademark Collateral granted hereby for filing with the relevant IP Filing Office.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER, INCLUDING BUT NOT LIMITED TO THE VALIDITY, INTERPRETATION, CONSTRUCTION, BREACH, ENFORCEMENT OR TERMINATION HEREOF, AND WHETHER ARISING IN CONTRACT OR TORT OR OTHERWISE, SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK, EXCEPT TO THE EXTENT THAT THE UCC PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK, IN WHICH CASE THE LAWS OF SUCH JURISDICTION SHALL GOVERN WITH RESPECT TO THE PERFECTION OF THE SECURITY INTEREST IN, OR THE REMEDIES WITH RESPECT TO, SUCH PARTICULAR COLLATERAL.

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by facsimile transmission or electronic PDF delivery shall be as effective as delivery of a manually signed counterpart of this Agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
