TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into between AUTO EXPRESSIONS, LLC, an Illinois limited liability company ("AUTO EXPRESSIONS") and PNC BANK, NATIONAL ASSOCIATION ("PNC") (AUTO EXPRESSIONS and PNC collectively, "Assignor") and Niteo Products, LLC, a Delaware limited liability company ("Assignee") (collectively, with Assignor, the "Parties") effective as of April 2, 2018.

RECITALS

WHEREAS, Assignee acquired all of the rights, title, and interest of Assignor in and to the trademarks and the corresponding applications and registrations therefor, listed in Schedule A annexed hereto and made a part hereof, as well as the goodwill associated therewith (hereinafter the "Trademarks") in a FORECLOSURE AND SALE AGREEMENT (the "Agreement") entered into by and between the Parties (and others) as of April 2, 2018; and

WHEREAS, the Parties are desirous of confirming said assignment and reaffirming Assignee as the lawful owner of the Trademarks, and recording such assignment in all appropriate jurisdictions (including without limitation in the United States Patent and Trademark Office and the corresponding trademark offices of other jurisdictions, as appropriate);

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth in this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby confirms the assignment and the parties agree as follows:

ARTICLE I ASSIGNMENT

Section 1.1 Transfer of Assigned Trademarks. Assignor does hereby assign, transfer, convey and deliver to Assignee and its successors and assigns, and Assignee does hereby acquire and accept, all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill associated with the Trademarks, free and clear of all obligations, liabilities, charges, claims, mortgages, liens, options, pledges, security interests or any other restrictions of any kind (other than those created under applicable securities laws) to the fullest extent permitted by law (including, without limitation, Section 363 of the U.S. Bankruptcy Code), throughout the universe and all rights corresponding thereto, together with all income, royalties or payments now or hereafter due or payable in relation to the Trademarks and all rights and remedies (including the right to sue for and recover damages and rights to injunctive relief and other remedies) against past, present, and future infringement, misappropriation, or other violation relating to the Trademarks, including, without limitation, any and all causes of action (whether in law or equity) and enforcement rights, whether currently pending, filed, or otherwise, relating to the Trademarks, in each case, for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Section 1.2 Further Assurances. Assignor covenants and agrees that, at any time and from time to time upon the request of Assignee, at Assignee's expense, Assignor shall provide any

further necessary documentation (including, without limitation, providing copies of all documents necessary to record assignment or otherwise complete chain of title from current owners of record to Assignor and executing and delivering all papers, instruments and assignments) and do all further acts reasonably requested by Assignee to confirm, vest and perfect title in and to the Trademarks in Assignee, its successors and assigns, including, without limitation, all documents necessary to record in the name of Assignee the assignment of the Trademarks with all relevant trademark offices throughout the world, including the United States Patent and Trademark Office, and, with respect to any equivalent foreign rights, with any other appropriate foreign or international office or registrar.

Section 1.3 Power of Attorney. Assignor hereby grants Assignee a power of attorney necessary to take whatever actions are necessary, including without limitation executing additional assignments, transfer documents and other documents on Assignor's behalf, to confirm, vest and perfect title in and to the Trademarks in Assignee, its successors and assigns in all applicable countries. Assignee shall exercise the power of attorney granted hereunder only to the extent Assignor does not fulfill its obligations under Section 1.2 above within a reasonable period of time of Assignee request thereunder.

Section 1.4 Authorization. Assignor hereby authorizes and requests all appropriate officials, including the Commissioner of Patents and Trademarks and the corresponding officials of other jurisdictions, as appropriate, whose duty it is to register trademarks, and record title thereto, to record Assignee as assignee and owner of the entire right, title and interest in and to the Trademarks.

ARTICLE II GENERAL PROVISIONS

Section 2.1 Amendment and Modification. This Assignment may not be amended, modified or supplemented in any manner, whether by course of conduct or otherwise, except by an instrument in writing specifically designated as an amendment hereto, signed on behalf of each party.

Section 2.2 Waiver. No failure or delay of either party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, or any course of conduct, preclude any other or further exercise thereof or the exercise of any other right or power. Any agreement on the part of either party to any such waiver shall be valid only if set forth in a written instrument executed and delivered by a duly authorized officer on behalf of such party.

Section 2.3 Governing Law. The validity and construction of this Assignment shall be governed by the internal laws of the State of New York without regard to principles of conflicts of laws. The parties hereto each agree and consent to the exclusive jurisdiction of the Supreme Court of the State of New York, County of New York, or if under applicable law exclusive jurisdiction is vested in the Federal courts, the United States District Court for the Southern District of New York (and the appellate courts thereof).

Section 2.4 Successors. This Assignment will be binding upon, inure to the benefit of, and be enforceable by, the parties and their respective successors and assigns.

Section 2.5 Severability. Whenever possible, each provision or portion of any provision of this Assignment shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision or portion of any provision of this Assignment is held to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision or portion of any provision in such jurisdiction, and this Assignment shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision or portion of any provision had never been contained herein.

Section 2.6 Waiver of Jury Trial. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS ASSIGNMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 2.7 Counterparts. This Assignment may be executed in two or more counterparts, all of which shall be considered one and the same instrument and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party. This Assignment may be executed by facsimile or .pdf signature and a facsimile or .pdf signature shall constitute an original for all purposes.
