**TERMINATION AND RELEASE OF SECURITY INTEREST IN  
INTELLECTUAL PROPERTY**

This **TERMINATION AND RELEASE OF SECURITY INTEREST IN INTELLECTUAL PROPERTY** (this "Release") is dated as of August 9, 2018 and delivered by Royal Bank of Canada, in its capacity as administrative agent and as collateral agent for the Secured Parties under the First Lien Pledge and Security Agreement referred to below (together with its successors in such capacity, the "Administrative Agent"), in favor of Power Products, LLC, a Delaware limited liability company, Blue Sea Systems, Inc., a Washington corporation, Professional Mariner, L.L.C., a New Hampshire limited liability company, and Lenco Marine Solutions, LLC, a Florida limited liability company, (collectively, the "Grantors" and each a "Grantor"). All capitalized terms used but not otherwise defined herein have the meanings given to them in the First Lien Pledge and Security Agreement (as defined below) or the First Lien Intellectual Property Security Agreement (as defined below).

**WHEREAS**, pursuant to that certain First Lien Pledge and Security Agreement, dated as of December 20, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") by and among Power Products Midco, LLC, a Delaware limited liability company, Power Products, LLC, a Delaware limited liability company, the Administrative Agent and certain other parties thereto, in order to secure payments of certain Obligations, each Grantor was required to execute and deliver a First Lien Intellectual Property Security Agreement, dated as of December 20, 2016 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement") and pursuant thereto each Grantor assigned, pledged and granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a continuing security interest in all of the Grantor's right, title and interest in, to and under its Patents, Trademarks, Trade Secrets and Copyrights, including without limitation those Patents, Trademarks and Copyrights listed on Schedules I, II and III, respectively, hereto, and including without limitation all proceeds thereof (collectively, the "IP Collateral").

**WHEREAS**, pursuant to the IP Security Agreement, (i) a security interest in the Trademarks was recorded with the United States Patent and Trademark Office on December 20, 2016 at Reel/Frame 005940/0133, and (ii) a security interest in the Patents was recorded with the United States Patent and Trademark Office on December 21, 2016 at Reel/Frame 041087/0927.

**WHEREAS**, the Administrative Agent acknowledges the full payment and performance of the Obligations, and as a result desires to terminate and release its security interest in the IP Collateral.

**NOW, THEREFORE**, for and in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Administrative Agent, on behalf of itself and the Secured Parties, hereby terminates, releases, cancels and forever discharges any and all security interests it has in the IP Collateral, terminates the IP Security Agreement, and retransfers, re-

conveys and reassigns to the Grantor and without representation or warranty of any kind, express or implied, free and clear of any claims by the Administrative Agent, all right, title or interest of the Administrative Agent (if any) in, to or under the IP Collateral of the Grantor. The Collateral Agent hereby authorizes and requests that the United States Patent and Trademark Office note and record this Release.

This Release shall be governed by and construed in accordance with the laws of the State of New York.

[Signature Page Follows]

IN WITNESS WHEREOF, the Administrative Agent has caused this Release to be executed by its duly authorized signatory effective as of the date first above written.
