and

Sandvik Hyperion AB

31 December 2017

This **trademark and domain name transfer agreement** (the "**Agreement**") is entered into on the date below between:

- (a) **Sandvik Intellectual Property Aktiebolag**, Reg. No. 556288-9401, a limited liability company incorporated under the laws of Sweden (the "**Assignor**"); and
- (b) **Sandvik Hyperion AB**, Reg. No. 556234-6857, a limited liability company incorporated under the laws of Sweden (the "**Assignee**");

The Assignor and the Assignee are jointly referred to as the "**Parties**" and individually a "**Party**".

Background

- A. The Assignor is the owner of the trademarks and domain names, as listed in **Schedule 1**, (the "**Trademarks**" and the "**Domain names**" respectively).
- B. Sandvik AB (publ), Reg. No. 556000-3468 ("**Sandvik**") and Snowbird, Inc. (the "**Buyer**") have entered a Master Transfer Agreement, dated 8 December 2017 (the "**MTA**"), according to which Sandvik sells Hyperion Assets (as defined in the MTA), including *inter alia* Registered Intellectual Property (as defined in the MTA), to the Buyer or an entity designated by the Buyer..
- C. In connection with the MTA, the Assignor wishes to assign all its rights, title and interest in and to the Trademarks and the Domain names to the Assignee and the Assignee wants to purchase all rights, title and interest in and to the Trademarks and the Domain names.
- D. Now, therefore, the Parties hereto agree as follows.

1. Assignment

- (a) By this Agreement, effective when signed by both Parties, the Assignor hereby assigns to the Assignee all of its property, right, title and interest in and to the Trademarks and the Domain names.
- (b) The assignment as set out hereunder includes all the rights and privileges granted and secured by the Trademarks and the Domain names including the rights to bring and defend proceedings, and obtain and retain any relief recovered in respect of any infringement, or any other cause of action arising from ownership, of any of the Trademarks and/or the Domain names whether occurring or relating to before, on or after the date of this Agreement.
- (c) The assignment also includes the absolute entitlement to any registered trademarks granted pursuant to any of the applications comprised in the Trademarks, all rights to claim priority from the Trademarks, all rights to any extensions, renewals or amendments to the Trademarks and any and all statutory and common law rights attaching to the use of such marks, including without limitation any goodwill arising out of any use of the Trademarks anywhere in the world and the right to sue for past, present and future infringement, dilution or other violation thereof.

2. Disclaimer of Warranty

The assigned Trademarks and Domain names are assigned as is and Assignor expressly disclaims all warranties, conditions, or representations, including any and all implied warranties or conditions of ownership, enforceability or validity, value, title, non-infringement and/or merchantability. For the avoidance of doubt, this disclaimer shall have no effect to the warranties as set out in the MTA.

3. Further Assurance and Joint Commitment

The Assignor and Assignee shall cooperate to ensure, at the cost of the Assignee, the performance of all further acts and things, and execute and deliver all further documents which are reasonably necessary to give full effect to this assignment of the Trademarks and the Domain names or to vest in the Assignee the full benefit of the Trademarks and the Domain names including registration of the Assignee as applicant or proprietor of the Trademarks and the Domain names.

For clarification purposes, the Assignor's responsibilities include, *inter alia*, (i) an obligation to provide all documentation reasonably required by the Assignee to prove the chain of title from the registered holder (including third parties) to the Assignor, (ii) an obligation to provide powers of attorney reasonably required by the Assignee for the registration of the Trademarks and Domain names in the Assignee's name and (iii) an obligation to sign recordal forms required for any necessary registrations.

4. Consideration

The full and final consideration for the assignment of the Trademarks and Domain names and any further assurance is SEK 4, to be paid by the Assignee to the Assignor, following receipt of an invoice. Value added tax shall be paid on the consideration, to the extent chargeable thereon.

5. Entire agreement

Subject to the MTA, this Agreement contains the entire agreement and understanding of the Parties and supersedes all prior agreements, understandings or arrangements relating to the subject matter of this Agreement.

6. Arbitration

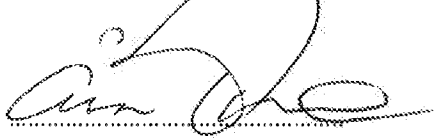

- (a) This Agreement is governed by the substantive laws of Sweden, without regard to its conflicts of law rules and principles.
- (b) Any dispute, controversy or claim arising out of or in connection with this contract, or the breach, termination or invalidity thereof, shall be finally settled by arbitration administered by the Arbitration Institute of the Stockholm Chamber of Commerce (the "SCC").
- (c) The Rules for Expedited Arbitrations shall apply, unless the SCC in its discretion determines, taking into account the complexity of the case, the amount in dispute and other circumstances, that the Arbitration Rules shall apply. In the latter case, the SCC shall also decide whether the Arbitral Tribunal shall be composed of one or three arbitrators.

- (d) The seat of arbitration shall be Stockholm and the language used in the Arbitral proceedings shall be English.
- (e) The Parties undertake to ensure that all arbitration proceedings conducted in accordance with this Agreement are kept confidential, unless otherwise required by law, or under relevant stock market regulations, or for the purpose of securing the Party's own interests against the other Party in relation to a dispute. This undertaking shall cover, *inter alia*, all information disclosed during the course of such proceedings, as well as any decision or award made or declared by the arbitral tribunal.
