Confirmatory Assignment Agreement

By and between

E. I. du Pont de Nemours and Company a corporation organized under the laws of Delaware, having a place of business at 974 Centre Road, Wilmington, DE 19805, United States of America

-hereinafter "**Assignor**"

and

FMC Agricultural Products International AG, a corporation organized under the laws of Switzerland, having a place of business at Alpenstrasse 15, Zug 6300, Switzerland

-hereinafter "**Assignee**"

Preamble

WHEREAS, Assignor has assigned all its rights, title, and interest in the trademark registrations and trademark applications set out in Appendix A to Assignee on the basis of a Trademark Assignment Agreement effective as of November 1st, 2017 (the "Effective Date").

WHEREAS, Assignor is the registered owner of the trademark registrations and trademark applications set out in Appendix A to this Agreement including the right to sue for past damages with respect to infringement of any of the foregoing (hereinafter referred to as "Contract IP-Rights"),

AND WHEREAS, Assignee desires to register its ownership in the Contract IP-Rights and Assignor is willing to confirm the assignment of the Contract IP-Rights upon the terms and conditions set out in the Trademark Assignment Agreement.

NOW THEREFORE, in view of the foregoing the parties agreed to the following:

1. Assignment and Transfer of the Contract IP-Rights

(1) Assignor hereby confirms that it has assigned all the rights in connection with the Contract IP-Rights to Assignee as of the Effective Date;

(2) Assignee hereby accepts the assignment of the Contract IP-Rights

2. Price and Costs

(1) Assignee has paid to Assignor as a consideration the assignment price of One Hundred US Dollars (100.00 USD) for the Contract IP-Rights.

(2) Assignee shall bear the costs and fees for the transfer of the Contract IP-Rights, unless otherwise agreed between the parties.

(3) Assignor acknowledges to have received the assignment price mentioned under section 2.1

3. Miscellaneous

(1) Assignor agrees that, upon request and without further compensation but at no expense to Assignor, it and its representatives will do all lawful acts reasonably required by Assignee, including execution of papers and giving of testimony, that may be necessary for obtaining, sustaining, reissuing or enforcing the Contract IP-Rights in respect of any country or territory in the world and for perfecting, recording the title of Assignee or its successors to the interest assigned herein to said Contract IP-Rights in respect of any country or territory in the world.

(2) This Agreement shall be governed by and construed in accordance with the laws of the United States and laws of the State of Delaware applicable to contracts executed and to be performed wholly within such state and without reference to the choice-of-law principles that would result in the application of the laws of a different jurisdiction.

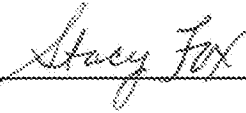

(3) This Confirmatory Agreement is made without representation or warranty, except as provided in and subject to the Trademark Assignment Agreement. Each of the Parties hereby acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Trademark Assignment Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Trademark Assignment Agreement and the terms hereof, the terms of the Trademark Assignment Agreement shall govern and control.
