TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“Assignment”) is entered into as of December 13, 2017 (the “Effective Date”) by and between Lisa Van de Water (“Assignor”) and Brewers Supply Group, Inc. (“Assignee”).

WHEREAS, Assignor owns all right, title, and interest in and to the marks and registrations identified on Exhibit A, which is expressly incorporated by reference into this Assignment (collectively the “Van de Water Registrations”); and

WHEREAS, Assignor desires to convey, transfer, assign, deliver, and contribute to Assignee any and all of its right, title, interest, and goodwill in and to the Van de Water Registrations.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns to Assignee her entire right, title, and interest in and to the Van de Water Registrations, including all rights of priority, together with any and all goodwill of the business embodied in the marks and the right to sue for past infringement by any third party. Assignor understands and agrees that, as of the Effective Date, has no rights in the Van de Water Registrations. Upon request of Assignee, Assignor shall take such further reasonable actions, including execution and delivery of instruments of conveyance, that Assignee may reasonably deem necessary or desirable to accomplish or evidence more fully any transfer of right, title or interest necessary to fulfill the intent of this Assignment.

IN WITNESS WHEREOF, Assignor executed this Assignment as of the day and year first above written.
