TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is entered into as of October 31, 2018 among Grantors listed on the signature pages hereof (collectively, jointly and severally, “**Grantors**” and each individually, “**Grantor**”) and WC SACD One Parent, Inc., in its capacity as collateral agent for the Investors (the “**Collateral Agent**”).

WITNESSETH:

WHEREAS, pursuant to the Note Purchase and Exchange Agreement dated as of October 31, 2018 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Purchase Agreement**”) by and among Intersections Inc., a Delaware corporation (the “**Company**”), and the Investors party thereto, the Investors have agreed to purchase (or exchange for existing notes) certain Notes issued by the Company upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantors agreed to grant a security interest over substantially all of its personal property to secure the Obligations (as defined in the Security Agreement) pursuant to that certain Pledge and Security Agreement, dated as of October 31, 2018 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) by and among the Grantors in favor of the Collateral Agent;

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to the Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL**. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, a valid and continuing first priority security interest in and Lien on all of such Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “**Trademark Collateral**”):

(a) all of such Grantor’s Trademark registrations, Trademark applications and Trademark Licenses, including, without limitation, those referred to on Schedule 1 hereto;

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

(c) all reissues, continuations, continuations in part, substitutes, extensions, modifications or renewals of and improvements on the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(e) all products and proceeds of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement, misappropriation or dilution of any Trademark or (ii) injury to the goodwill associated with any Trademark.

Notwithstanding anything to the contrary herein, the Trademark Collateral shall not extend to any Excluded Assets, including, without limitation, intent-to-use United States trademark applications for so long as and to the extent that such intent-to-use United States trademark applications constitute Excluded Assets.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the security interest created hereby secure the payment and performance of all the Obligations of each Grantor, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Obligations and would be owed by Grantors, or any of them, to the Collateral Agent, the other Secured Parties, or any of them, whether or not they are unenforceable or not allowable due to the existence of an insolvency proceeding involving any Grantor.

4. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with and in furtherance of the security interests and Liens granted to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, and to the extent a conflict exists, the terms of the Security Agreement control.

5. AUTHORIZATION TO SUPPLEMENT. Grantors hereby authorize the Collateral Agent unilaterally (but the Collateral Agent shall be under no obligation) to modify this Trademark Security Agreement by amending Schedule 1 to include any such new trademark rights of Grantors, which become part of the Trademark Collateral under the Security Agreement. Notwithstanding the foregoing, no delay or failure to so modify this Trademark Security Agreement or amend Schedule 1 shall in any way affect, invalidate or detract from the Collateral Agent's valid and continuing security interest in all Collateral (including without limitation the Trademark Collateral), whether or not listed on Schedule 1.

6. SUCCESSORS IN INTEREST. This Trademark Security Agreement shall be binding upon each Grantor, its successors and assigns and shall insure, together with the rights and remedies of the Collateral Agent and the other Secured Parties hereunder, to the benefit of the Collateral Agent and the other Secured Parties and their successors and assigns.

7. COUNTERPARTS; INTEGRATION. This Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) may be executed in any number of

counterparts, each of which shall be deemed an original with the same effect as if the signatures thereto and hereto were upon the same instrument. This Trademark Security Agreement and the other Financing Documents constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed signature page of this Trademark Security Agreement (or any amendments, waivers, consents, or supplements hereto) by facsimile transmission or electronic transmission shall be as effective as delivery of a manually executed counterpart hereof or thereof.

8. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES.
