GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of December 7, 2018 is made by Jam City, Inc., a Delaware Corporation, MindJolt, Inc., a Nevada Corporation and TinyCo, Inc., a Delaware Corporation (collectively the "Obligors"), in favor of JPMORGAN CHASE BANK, N.A., as Administrative Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Credit Agreement, dated as of December 7, 2018 (as modified and supplemented and in effect from time to time, the "Credit Agreement"), among Jam City, Inc., a Delaware corporation ("Borrower"), the Lenders party thereto, and the Agent.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Borrower and certain of its Subsidiaries have executed and delivered a Security Agreement, dated as of December 7, 2018, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Obligors pledged and granted to the Agent, for the benefit of the Agent and the Lenders, a continuing security interest in all Intellectual Property, including the Trademarks; and

WHEREAS, the Obligors have duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, the Obligors agree, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

SECTION 2. Grant of Security Interest. Each Obligor hereby pledges and grants a continuing security interest in all of such Obligor's right, title and interest in, to and under the Trademarks, including those registered Trademarks and Trademark applications listed on Schedule A hereto (collectively, the "Collateral"), to the Agent for the benefit of the Agent and the Lenders to secure payment, performance and observance of the Obligations. Notwithstanding the foregoing, the Collateral does not and shall not include any Excluded Trademarks.

SECTION 3. Purpose. This Agreement has been executed and delivered by each Obligor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Agent in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The

Security Agreement (and all rights and remedies of the Agent thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Each Obligor do hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

(Remainder of the page intentionally left blank)

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
