GRANT OF SECURITY INTEREST IN TRADEMARKS

GRANT OF SECURITY INTEREST IN TRADEMARKS (this "Trademark Security Agreement"), dated as of April 25, 2017, by the undersigned grantors (the "Grantors"), in favor of ALLY BANK, as Term Collateral Agent, for the benefit of the Term Secured Parties.

WITNESSETH:

WHEREAS, Grantors entered into that certain Pledge and Security Agreement, dated as of April 25, 2017, among the Grantors, EACH OF THE OTHER GRANTORS FROM TIME TO TIME PARTY THERETO and ALLY BANK, as Term Collateral Agent (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the "Term Security Agreement");

WHEREAS, Grantors are required to execute and deliver to the Term Collateral Agent this Trademark Security Agreement for the benefit of the Term Secured Parties.

NOW, THEREFORE, in consideration of the promises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantors hereby agree as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Term Security Agreement.

2. GRANT OF SECURITY INTEREST. Grantors hereby grant to the Term Collateral Agent, for the benefit of the Term Secured Parties, a security interest in and continuing lien on all of such Grantors' right, title and interest in, to and under any Trademarks (collectively, the "Trademark Collateral"), along with all goodwill associated therewith, whether now owned or existing or hereafter acquired or arising and wherever located, including those Trademarks set forth in Schedule I, provided that no security interest therein is granted on any "intent to use" Trademark applications until such time as an amendment to allege use or statement of use in respect thereof has been accepted by the United States Patent and Trademark Office, at which time such Trademark shall cease to be excluded from the Trademark Collateral hereunder.

3. TERM SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in furtherance, not in limitation, of the security interests granted to the Term Collateral Agent, for the benefit of the Term Loan Secured Parties, pursuant to the Term Security Agreement. Grantors hereby acknowledge and affirm that the rights and remedies of Term Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Term Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Term Security Agreement, the provisions of the Term Security Agreement shall control.

4. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

5. TERMINATION OR RELEASE. This Trademark Security Agreement shall terminate and the security interests granted hereby shall be automatically released in accordance with the provisions of Section 10 of the Term Security Agreement.

6. GOVERNING LAW. THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

7. INTERCREDITOR AGREEMENT. Notwithstanding anything to the contrary contained in this Trademark Security Agreement, the liens and security interests (and priority of such liens and security interests) granted to the Term Collateral Agent in any Trademark Collateral that constitutes Revolving Priority Collateral pursuant to this Trademark Security Agreement and the exercise of any right or remedy against the Revolving Priority Collateral by the Term Collateral Agent hereunder are subject to the limitations and provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Trademark Security Agreement, the terms of the Intercreditor Agreement shall govern and control.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, Grantors has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
