NOW, THEREFORE, in consideration of the premises and the agreements hereinafter set forth, each Grantor hereby agrees as follows:

1. **DEFINED TERMS.** All capitalized terms used herein (including in the preamble and recitals hereto) but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Credit Agreement.

2. **GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.** Each Grantor hereby grants, collaterally assigns, and pledges to Collateral Agent, for the ratable benefit of the Secured Parties, a Security Interest in all of such Grantor’s right, title, and interest in and to the following property, in each case whether now owned or existing or hereafter acquired or arising and wherever located (collectively, the “Trademark Collateral”):

Grantors shall give notice in writing to Collateral Agent within such time limit set forth in the Security Agreement with respect to any such new trademarks for which such Grantor files an application for registration with the U.S. Patent and Trademark Office or the renewal or extension of any trademark registration. Without limiting Grantors' obligations under this Section 5, Grantors hereby authorize Collateral Agent unilaterally to modify this Agreement by amending Schedule I to include any new trademark rights and registered or applied for trademarks of Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate, or detract from Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.
