RELEASE OF SECURITY INTEREST

THIS RELEASE OF SECURITY INTEREST (this “Release”), effective as of November 13, 2018, is made by JPMORGAN CHASE BANK, N.A., a national banking association with an address at 10 S. Dearborn, 7th Floor, Chicago, IL 60603 (“JPMCB”), not in its individual capacity but solely as Administrative Agent (as defined in the Credit Agreement) (in such capacity, the “Administrative Agent”) and as Collateral Agent (as defined in the Credit Agreement) (in such capacity, the “Collateral Agent”), in favor of FCA US LLC, a Delaware limited liability company, with an address at 1000 Chrysler Drive, CIMS 485-13-32, Auburn Hills, Michigan 48326, formerly known as Chrysler Group LLC (the “Company”). All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to those terms in that certain Guarantee and Collateral Agreement, dated as of February 7, 2014, among the Company, the Subsidiary Credit Parties from time to time party thereto, and JPMCB, as the Administrative Agent and as the Collateral Agent (as amended, restated, supplemented, or otherwise modified from time to time, the “Collateral Agreement”).

WITNESSETH:

WHEREAS, pursuant to the Term Loan Credit Agreement, dated as of February 7, 2014, among the Company, the Lenders (as defined in the Credit Agreement) from time to time party thereto, and JPMCB, as the Administrative Agent and as the Collateral Agent (as amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”; the Credit Agreement and the Collateral Agreement together, the “Security Documents”), the Company and the other Grantors granted to the Collateral Agent a Security Interest in and on all right, title and interest of the Grantors in, to and under each Grantor’s Intellectual Property then owned, or at any time thereafter acquired, by the Grantor, or in, to or under which the Grantor then had, or at any time thereafter acquired, any right, title or interest (collectively, the “Intellectual Property Collateral”), including the following:

(a) all letters patent of the United States of America or the equivalent thereof in any other country, all registrations and recordings thereof, and all applications for letters patent of the United States of America or the equivalent thereof in any other country, including registrations, recordings and pending applications in the United States Patent and Trademark Office (the “USPTO”), including those listed on Schedule I, or in any similar office in any other country, and all reissues, continuations, divisions, continuations-in-part, renewals or extensions thereof, and the inventions disclosed or claimed therein, including the right to make, use and/or sell the inventions disclosed or claimed therein;

(b) all trademarks, service marks, trade names, trade dress, logos, and other source or business identifiers and general intangibles of like nature, all registrations and recordings thereof, and all applications for registration and recording filed in connection therewith, including registrations and applications for registration in the USPTO or any similar offices in any State of the United States of America or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule II, and all goodwill associated therewith or symbolized thereby; and

(c) all copyright rights in any work subject to the copyright laws of the United States of America or any other country, whether as author, assignee, transferee or otherwise, and all registrations and applications for registration of any such copyright in the United States of America or any other country, including registrations, recordings, supplemental registrations, and pending applications for registration in the United States Copyright Office (the “USCO”) (or any similar office in any other country), including those listed on Schedule III.

WHEREAS, in accordance with the Security Documents, the Company executed the following security agreements for the purpose of recording in the USPTO and the USCO the grant to the Collateral Agent of the Security Interest in and on all right, title and interest of the Company in, to and under the Intellectual Property Collateral;

(a) Patent Security Agreement, dated as of February 7, 2014, which was recorded in the USPTO at Reel 032384, Frame 0640;

(b) Trademark Security Agreement, dated as of February 7, 2014, which was recorded in the USPTO at Reel 5224, Frame 0347; and

(c) Copyright Security Agreement, dated as of February 7, 2014, which was recorded in the USCO at Volume No. 9916, Document No. 423.

WHEREAS, one or more of the circumstances set out in Section 8.8(d) of the Credit Agreement are present, and thus the Grantors are entitled to a release of the Collateral Agent’s security interest in all Collateral, including the Intellectual Property Collateral;

WHEREAS, all Secured Obligations (excluding contingent obligations as to which no claim has been made and the Permitted First Lien Non-Loan Exposure) have been paid in full and all Commitments have terminated or expired, and thus, pursuant to Section 8.14(a) of the Collateral Agreement, the Collateral Agreement (other than any provision thereof that expressly survives termination of that agreement), the Guarantees made in the Collateral Agreement, and the Security Interest and all other security interests granted pursuant to the Collateral Agreement have been terminated and released; and

WHEREAS, the Collateral Agent wishes to provide a document suitable for recording in the USPTO and the USCO to evidence the release, under the terms of this Release, of the Collateral Agent’s Security Interest in and on all right, title and interest of the Company in, to and under the Intellectual Property Collateral.

NOW, THEREFORE, IT IS AGREED:

1. Release. The Collateral Agent hereby assigns and pledges to the Company, and irrevocably releases, cancels, relinquishes and discharges the Security Interest that the Company granted to the Collateral Agent pursuant to the Security Documents in and on all right, title and interest of the Company in, to and under the Intellectual Property Collateral, in each case, without recourse to or warranty by the Collateral Agent.

2. Further Assurances. The Collateral Agent shall, at the Company's request and expense and without recourse to or warranty by the Collateral Agent, timely take, or cause to be taken, all appropriate action, execute and deliver any additional documents and other papers prepared by the Company and delivered to the Collateral Agent for execution, and perform any additional acts that may be reasonably necessary or desirable to evidence the release and termination of the Collateral Agent's Security Interest in and on all right, title and interest of the Company in, to and under the Intellectual Property Collateral pursuant to this Release and to consummate and make effective the transactions contemplated by this Release.

3. Governing Law. This Release and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York without regard to conflict of laws principles thereof that would result in the application of any law other than the law of the State of New York.

4. Severability. Any provision of this Release held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality or enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.
