**ASSIGNMENT OF TRADEMARKS**

**THIS ASSIGNMENT OF TRADEMARKS** ("Assignment") is made by **COLUMBUS MCKINNON CORPORATION**, a New York corporation having a place of business at 205 Crosspoint Parkway, Getzville, New York 14608 ("Assignor") to, and for the benefit of, **INDUSTRIAL SHREDDERS LLC**, a Florida limited liability company having a place of business at 61 Depot Street, Buffalo, New York 14206 ("Assignee"), effective as of Assignor's signature date set forth below, with reference to the following facts:

- A. Assignor is the owner of the trademarks and trademark registrations identified on the attached **Exhibit A** (collectively, the "Trademark Assets");
- B. Assignor and Assignee entered into that certain Asset Purchase Agreement, dated November 30, 2018 ("Purchase Agreement"); and
- C. Pursuant to the Purchase Agreement, Assignor and Assignee desire to execute this Assignment to assign and transfer the Trademark Assets from Assignor to Assignee.

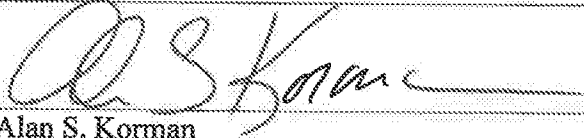

**NOW, THEREFORE**, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and convey, and hereby sets over unto Assignee, its successors and assigns, the full and exclusive right, title and interest in and to the Trademark Assets and the goodwill of the business in connection with which the Trademark Assets have been used and are being used and which are symbolized by the Trademark Assets, in all countries and jurisdictions to the full end of the terms for which the registrations of the Trademark Assets may be granted, to be held, used and enjoyed by, and in the name of, Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment and sale not been made.

The Assignor and Assignee acknowledge and agree as follows that: (1) the marks provided in Paragraphs 3 through 10 of **Exhibit A** contain the term "CM" and nothing in this Assignment will assign, transfer or convey to Assignee any right, title or interest of any kind in or to such term apart from the respective mark set forth on **Exhibit A**; (2) for purposes of clarity, nothing in this Assignment will provide Assignee with any right of any kind to use the term "CM" independent or apart from the respective mark set forth on **Exhibit A**; and (3) all rights of any kind other than those expressly granted in this Assignment are exclusively reserved to Assignor.

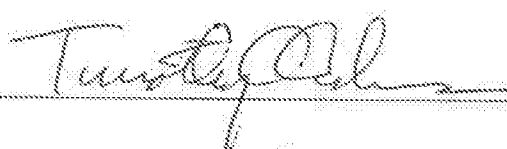

Assignor hereby expressly agrees that Assignee may singly, and without assistance or consent from Assignor, undertake procedures to record the transfer of the Trademark Assets to Assignee in the United States Patent and Trademark Office.
