TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this “**Trademark Security Agreement**”) is made this 25th day of February, 2019, by and among the Grantors listed on the signature pages hereof (collectively, jointly and severally, “Grantors” and each individually “Grantor”), and **VIRTUS GROUP, LP**, not in its individual capacity but solely in its capacity as administrative agent and collateral agent for each Secured Party (in such capacities, together with its successors and assigns in such capacities, “**Agent**”).

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement, dated as of February 25, 2019 (as it may be amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), by and among (a) initially, and at all times prior to the effectiveness of the Assumption and Release, Aquarius Invest Sub, Inc., a Delaware corporation (“**Initial Borrower**”), (b) upon and after the effectiveness of the Assumption and Release, Jacuzzi Holding LLC, a Delaware limited liability company (“**Holdings**”) and Jacuzzi Brands LLC, a Delaware limited liability company (the “**Post-Closing Borrower**”; the Initial Borrower or the Post-Closing Borrower, as applicable, the “**Borrower**”), (c) the Guarantors from time to time party thereto, (d) the Lenders from time to time party thereto and (e) Agent, the Lenders have agreed to make certain financial accommodations available to the Borrower from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Lenders are willing to make the financial accommodations to the Borrower as provided for in the Credit Agreement and the other Loan Documents, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of the Secured Parties, that certain U.S. Security Agreement, dated as of February 25, 2019 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “**U.S. Security Agreement**”); and

WHEREAS, pursuant to the U.S. Security Agreement, Grantors are required to execute and deliver to Agent, for the benefit of the Secured Parties, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the U.S. Security Agreement or, if not defined therein, in the Credit Agreement, and this Trademark Security Agreement shall be subject to the rules of construction set forth in Section 1(b) of the U.S. Security Agreement, which rules of construction are incorporated herein by this reference, *mutatis mutandis*.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby, to the extent required by the U.S. Security Agreement, grants, collaterally assigns, and pledges to Agent, for the benefit of the Secured Parties, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the “**Security Interest**”) in all of such Grantor’s right, title and interest in and to the following (except to the

extent any of the following constitutes Excluded Assets), whether now owned or hereafter acquired or arising (collectively, the “**Trademark Collateral**”):

(a) all of its United States Trademark registrations and Trademark applications, including those referred to on Schedule I; provided, however, that notwithstanding the foregoing, United States “intent-to-use” trademark applications shall be excluded from the definition of “Trademark Collateral” hereunder to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, *provided* that upon submission and acceptance by the USPTO of an amendment to allege use, pursuant to 15 U.S.C. Section 1060(a) (or any successor provision) such intent-to-use trademark application shall be included in the definition of “Trademark Collateral” hereunder;

(b) all renewals of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark that is the subject of any such Trademark registration or application; and

(d) all proceeds (as that term is defined in the UCC) of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark or Trademark application, including right to receive any damages, (ii) injury to the goodwill associated with any such Trademark or Trademark application, or (iii) right to receive license fees, royalties, and other compensation.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Agent, the Lenders, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. U.S. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Agent, f for the benefit of the Secured Parties, pursuant to the U.S. Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the U.S. Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the U.S. Security Agreement, the U.S. Security Agreement shall control.

5. AUTHORIZATION TO SUPPLEMENT. Grantors shall give Agent notice in writing of any additional trademarks registrations owned by any Grantor and granted after the date hereof pursuant to Section 7(g)(v) of the U.S. Security Agreement. Without limiting Grantors’ obligations under this Section, Grantors hereby authorize Agent unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such future United States registered trademarks or applications thereof of each Grantor. Notwithstanding the foregoing, no

failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement is a Loan Document. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement.

7. CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE PROVISION. THIS TRADEMARK U.S. SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTION 25 OF THE U.S. SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

[signature page follows]

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Security Agreement to be executed and delivered as of the day and year first above written.
