WHEREAS, as a condition precedent to the making of the Advances under the Credit Agreement, the Debtor is required to execute and deliver this Agreement and to further confirm the grant to the Secured Party for the benefit of the Secured Party a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Indebtedness (as defined in the Credit Agreement).
- NOW, THEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, and in order to induce the Secured Party to make Advances (including the initial Advance) to the Borrowers pursuant to the Credit Agreement, Debtor agrees, for the benefit of the Secured Party, as follows:
- SECTION 1. <u>Definitions</u>. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.
- SECTION 2. <u>Grant of Security Interest</u>. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt and complete payment and performance when due of all of the Indebtedness, the Debtor does hereby mortgage, pledge and hypothecate to the Secured Party, and grant to the Secured Party a security interest in, all of the following property of the Debtor (the "<u>Trademark Collateral</u>"), whether now owned or hereafter acquired or existing:
- (a) all license agreements with any other Person in connection with any of the Trademarks or such other Person's names or trademarks, whether the Debtor is a licensor or a licensee under any such license agreement, including, without limitation, the license agreements listed on *Schedule 1.1* hereto and made a part hereof, subject, in each case, to the terms of such

license agreements, and the right to prepare for sale, and to sell and advertise for sale, all inventory now or hereafter covered by such licenses;

- all trademarks, service marks, trade names, trade dress or other indicia of trade origin, trademark and service mark registrations, and applications for trademark or service mark registrations (except any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law), and any renewals thereof, including, without limitation, each registration and application identified on Schedule 1.1 attached hereto and made a part hereof, and including without limitation (a) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (b) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all Trademark Licenses entered into in connection therewith, and damages and payments for past or future infringements thereof) and (c) all rights corresponding thereto and all other rights of any kind whatsoever of the Debtor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark, service mark, trade name, trade dress or other indicia of trade origin;
 - (c) all renewals of any of the items described in clauses (a) and (b);
- (d) all of the goodwill of the business connected with the use of, and symbolized by each of the items described in, clauses (a), (b) and (c); and
- (e) all proceeds of, and rights associated with, the foregoing, including any right to sue or claim by the Debtor against third parties for past, present, or future infringement or dilution of any Trademark, Trademark registration, or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in *Schedule 1.1* attached hereto, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.
- SECTION 3. <u>Security Agreement</u>. This Agreement has been executed and delivered by the Debtor for the purpose of registering the security interest of the Secured Party in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party under the Security Agreement as security for the discharge and performance of the Indebtedness. The Security Agreement (and all rights and remedies of the Secured Party thereunder) shall remain in full force and effect in accordance with its terms.
- SECTION 4. Release of Security Interest. The Agent shall, upon the written request of the Debtor, execute and deliver to the Debtor a proper instrument or instruments acknowledging the release of the security interest and Liens established hereby on any Trademark Collateral: (a) if the sale or other disposition of such Trademark Collateral is permitted under the terms of the Credit Agreement, (b) if the sale or other disposition of such Trademark Collateral is not permitted under the terms of the Credit Agreement, provided that the requisite Lenders under

such Credit Agreement shall have consented to such sale or disposition in accordance with the terms thereof, or (c) if such release has been approved by the requisite Lenders in accordance with Section 12.11 of the Credit Agreement.

SECTION 5. <u>Acknowledgment</u>. The Debtor does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. <u>Loan Documents</u>, <u>etc.</u> This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

SECTION 7. <u>Counterparts</u>. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
