TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is entered into as of March 22, 2019 by and among each of the signatories listed as a grantor on the signature pages hereto (each and together, jointly and severally, the "Grantor"), in favor of BANK OF AMERICA, N.A., in its capacity as administrative agent pursuant to the Security and Pledge Agreement (in such capacity, together with its successors and assigns, the "Agent").

WITNESSETH:

WHEREAS, each Grantor is party to a Security and Pledge Agreement, dated as of March 22, 2019 (as it may be amended, restated, extended, supplemented or otherwise modified in writing from time to time, the "Security Agreement"), in favor of the Agent pursuant to which such Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement (as defined in the Security Agreement), each Grantor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following pledged Collateral of Grantor:

- (a) all Trademarks and Trademark Licenses of the Grantor, including those listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement (and are expressly subject to the terms and conditions thereof), the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the Termination Date, the Agent shall execute, acknowledge, and deliver to each Grantor an instrument in writing in recordable form releasing

the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Governing Law. This Trademark Security Agreement and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Trademark Security Agreement and the transactions contemplated hereby shall be governed by, and construed in accordance with, the law of the State of New York.

[signature pages follow]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
