THIS CONFIRMATORY GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Confirmatory Grant") is made effective as of June 3, 2019 by and from ANGIODYNAMICS, INC., a Delaware corporation ("Grantor") to and in favor of JPMORGAN CHASE BANK, N.A., for itself and as Administrative Agent for the Secured Parties (as defined in the Credit Agreement referenced below) (in such capacities, "Grantee").

WHEREAS, Grantor, the Lenders and Grantee have entered into a Credit Agreement dated as of June 3, 2019 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

WHEREAS, certain Subsidiaries of Grantor have guaranteed the repayment of the Secured Obligations pursuant to a Guaranty dated as of June 3, 2019 (as may be amended, restated, supplemented or otherwise modified from time to time).

WHEREAS, Grantor and certain Subsidiaries of Grantor have entered into a Pledge and Security Agreement dated as of June 3, 2019 (as may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement").

WHEREAS, this Confirmatory Grant has been granted in conjunction with the security interest granted under the Security Agreement to Grantee for the benefit of the Secured Parties. The rights and remedies of Grantee with respect to the security interest granted herein are without prejudice to and are in addition to those set forth in the Security Agreement and the other Loan Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Confirmatory Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is hereby agreed that:

1) Definitions. All capitalized terms not defined herein shall have the respective meaning given to them in the Credit Agreement, or if not defined therein, in the Security Agreement.

2) The Security Interest.

in writing releasing the security interest in the Trademarks acquired under the Security Agreement and this Confirmatory Grant.

(b) Grantor hereby pledges, assigns and grants to Grantee on behalf of and for the benefit of the Secured Parties a security interest in (1) all of Grantor's right, title and interest in and to the Trademarks now owned or from time to time after the date hereof owned or acquired by Grantor, together with (2) the registrations and applications thereof and the goodwill of the business symbolized by the foregoing, (3) all licenses of the foregoing, whether as licensee or licensor, (4) all renewals of the foregoing, (5) all income, royalties, damages and payments now or hereafter payable with respect thereto, including, without limitation, damages, claims and payments for past or future infringements and dilutions thereof, (6) all rights to sue for past, present or future infringements and dilutions thereof, including the right to settle suits involving claims and demands for royalties owing, and (7) all rights corresponding to any of the foregoing throughout the world.

(c) Notwithstanding anything to the contrary herein, this Confirmatory Grant and the security interests granted hereby are subject to the limitations set forth in Article II of the Security Agreement (which are incorporated herein *mutatis mutandis* by this reference).

3) Counterparts. This Confirmatory Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

4) Governing Law. This Confirmatory Grant and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
