3. Seller shall timely execute, or cause to be executed, any and all papers and/or documents, or take such other actions that may be reasonably necessary to effectuate the assignment and transfer of the Assigned Domain Names. Seller shall release and transfer possession and control of the Assigned Domain Names to Buyer by initiating the transfer with the current registrar of each Assigned Domain Name and performing, following or cooperating with Buyer on all procedures and actions specified by each registrar to effectuate such transfer. Seller hereby authorizes each such registrar to transfer the ownership and control of the Assigned Domain Names to Buyer.

4.
