GRANT OF TRADEMARK SECURITY INTEREST

THIS GRANT OF TRADEMARK SECURITY INTEREST (this "Grant"), dated August 14, 2019 is by and between Amyris, Inc., a Delaware corporation ("Grantor"), located at 5885 Hollis Street, Suite 100, Emeryville, California 94608, and Naxyris S.A., a Luxembourg société anonyme, not in its individual capacity but solely as administrative agent for itself and Lender (as hereinafter defined) (in such capacity "Agent"). Each capitalized term utilized in this Grant that is not defined in the Loan Agreement (as hereinafter defined) or this Grant, but is defined in the UCC, shall have the meaning set forth in Article 1, 8 or 9 of the UCC, as applicable.

WHEREAS, Grantor owns and uses in its business, and will, in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below);

WHEREAS, Grantor, the subsidiaries of Grantor from time to time party thereto that have delivered a Joinder Agreement, the several banks and other financial institutions or entities from time to time parties thereto (collectively, referred to as "Lender") and Agent have entered into that certain Loan and Security Agreement, dated as of even date herewith (as amended, restated, modified or supplemented from time to time, the "Loan Agreement"), pursuant to which Lender has extended certain financial accommodations to Grantor; and

WHEREAS, pursuant to the terms of the Loan Agreement, Grantor has granted to Agent a security interest in, and Agent has become a secured creditor with respect to, the Collateral specified therein, including the Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Loan Agreement, to evidence further the security interest granted by Grantor to Agent pursuant to the Loan Agreement, Grantor hereby grants to Agent a security interest in all of Grantor's right, title and interest in and to the following, in each case, whether now or hereafter existing or whether now owned or hereafter acquired and wherever the same may be located (the "Trademark Collateral"):

(i) all trademarks, service marks, designs, logos, indicia, trade names, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the "Trademarks"), all registrations that have been or may hereafter be issued or applied for thereon in the United States of America ("United States") and any state thereof and in foreign countries (including, without limitation, the registrations and applications set forth on Schedule A annexed hereto), all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States and any state thereof and in foreign countries, and all goodwill of Grantor's business connected with the use of and symbolized by the Trademarks; and

(ii) all Proceeds and Accessions with respect to any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the "Trademark Collateral" include, and Grantor shall not be deemed to have granted a security interest in any of Grantor's rights

in or under any (i) Excluded Intellectual Property and (ii) United States intent-to-use trademark or service mark application to the extent that, and solely during the period prior to the filing of evidence of use of such trademark or service mark, the grant of a security interest therein would invalidate such intent-to-use trademark or service mark application under Federal law.

If, before the Secured Obligations shall have been paid in full, Grantor shall obtain rights to any new Trademark Collateral, the provisions of this Grant shall automatically apply thereto. Grantor shall promptly update Schedule A attached hereto as necessary, but no more frequently than once per fiscal quarter, and provide written notice to Agent of such updates on a fiscal quarterly basis. Grantor authorizes Agent to modify this Grant by amending Schedule A attached hereto to reflect such updates.

Grantor does hereby further acknowledge and affirm that this Grant is made in connection with, and subject to the terms of, the Loan Agreement and that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, including, without limitation, sections 10.8, 10.9 and 10.10. In the event of an irreconcilable conflict between the terms of this Grant and the terms of the Loan Agreement, the Loan Agreement shall control.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, this Grant has been duly executed on the day and year specified at the beginning hereof.
