**TRADEMARK SECURITY AGREEMENT**

**Trademark Security Agreement**, dated as of October 31, 2019, by American Builders & Contractors Supply Co., Inc., Mule-Hide Products Co., Inc. and L & W Supply Corporation (individually, a “**Grantor**”, and, collectively, the “**Grantors**”), in favor of U.S. BANK NATIONAL ASSOCIATION, in its capacity as notes collateral agent (in such capacity, the “**Notes Collateral Agent**”) pursuant to the Indenture, dated as of October 31, 2019 (as amended, supplemented or otherwise modified from time to time, the “**Indenture**”), among ABC Supply Holding Corp., a Delaware corporation, (“**Holdings**”), American Builders & Contractors Supply Co., Inc., a Delaware corporation, (the “**Issuer**”), the Guarantors from time to time party thereto and U.S. Bank National Association as trustee and Notes Collateral Agent.

WITNESSETH:

WHEREAS, the Grantors are party to a Security Agreement dated as of October 31, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Notes Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Notes Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, the Grantors hereby agree with the Notes Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Notes Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Collateral (excluding any Excluded Assets) of such Grantor:

- (a) registered Trademarks of such Grantor listed on Schedule I attached hereto.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Notes Collateral Agent pursuant to the Security Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Notes Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the termination of the Security Agreement in accordance with Section 6.13 thereof, the Notes Collateral Agent shall, at the expense of such Grantor, execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the lien on and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

SECTION 6. Intercreditor Agreements. Notwithstanding any provision to the contrary contained herein, the terms of this Trademark Security Agreement, the Liens created hereby and the rights

and remedies of the Notes Collateral Agent hereunder are subject to the terms of each applicable Intercreditor Agreement. In the event of any conflict or inconsistency between the terms of this Trademark Security Agreement and an Intercreditor Agreement, the terms of that Intercreditor Agreement shall govern.

SECTION 7. Release. Upon either (i) the consummation of any disposition of Collateral identified herein to any third party pursuant to a transaction permitted by the terms of the Indenture or (ii) any other release of the liens on the Collateral identified herein as provided in the Indenture, then the security interest granted hereby in such Collateral shall automatically and immediately terminate and the Notes Collateral Agent shall promptly, at the reasonable request and expense of Grantor, provide evidence of such termination. Upon the payment in full of the Secured Obligations in accordance with the provisions of the Indenture upon Grantor's request, Notes Collateral Agent will promptly, at the sole expense of Grantor, authorize the filing of appropriate termination statements to terminate such security interests and will take any further actions necessary or desirable to evidence or effect such termination of the security interests as may be reasonably requested by Grantor to evidence such termination and release.

SECTION 8. GOVERNING LAW; JURISDICTION; VENUE; WAIVER OF JURY TRIAL; CONSENT TO SERVICE OF PROCESS. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS SET FORTH IN SECTION 6.08 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, MUTATIS MUTANDIS.
