GRANT OF TRADEMARK SECURITY INTEREST

THIS GRANT OF TRADEMARK SECURITY INTEREST (this "Grant"), dated November 14, 2019 is by and between Amyris, Inc., a Delaware corporation ("**Company**"), Amyris Clean Beauty, Inc., a Delaware limited liability company (together with the Company, the "**Grantors**," and, individually, a "**Grantor**") and Schottenfeld Opportunities Fund II, L.P., as agent for itself as a CSA Lender (as hereinafter defined), as agent for itself as a September Notes Lender (as hereinafter defined), as agent for each other CSA Lender and as agent for each other September Notes Lender ("**Agent**"). Each capitalized term utilized in this Grant that is not defined in the Credit Agreement (as hereinafter defined) or this Grant, but is defined in the UCC, shall have the meaning set forth in Article 1, 8 or 9 of the UCC, as applicable.

WHEREAS, each Grantor owns and uses in its business, and will, in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below);

WHEREAS, the Company has entered into that certain Credit Agreement, dated as of September 10, 2019 (as amended, restated, modified or supplemented from time to time, the "**SOF Credit Agreement**") pursuant to which Agent has extended certain financial accommodations to the Company;

WHEREAS, the Company and Koyote Trading, LLC ("**Koyote**") have entered into that certain Credit Agreement, dated as of September 10, 2019 (as amended, restated, modified or supplemented from time to time, the "**Koyote Credit Agreement**"), pursuant to which Koyote has extended certain financial accommodations to the Company;

WHEREAS, the Company and Phase Five Partners, LP ("**Phase Five**"; together with Agent, and Koyote, the "**September Notes Lenders**") have entered into that certain Credit Agreement, dated as of September 10, 2019 (as amended, restated, modified or supplemented from time to time, the "**Phase Five Credit Agreement**"; together with the SOF Credit Agreement and the Koyote Credit Agreement, the "**September Credit Agreements**"), pursuant to which Phase Five has extended certain financial accommodations to the Company;

WHEREAS, the Grantors have entered into that certain Credit and Security Agreement, dated as of November 14, 2019, between the Company, subsidiaries of the Company from time to time party thereto as subsidiary guarantors, and Agent and Phase Five as lenders (the "**CSA Lenders**") (as amended, restated, modified or supplemented from time to time, "**CSA**"); and

WHEREAS pursuant to the CSA, each Grantor has granted to Agent, as agent for itself as a CSA Lender, as agent for itself as a September Notes Lender, as agent for each other September Notes Lender and as agent for each other CSA Lender, a security interest in, and Agent, as agent for itself as a CSA Lender, as agent for itself as a September Notes Lender, as agent for each other September Notes Lender and as agent for each other CSA Lender, has become a secured creditor with respect to, the Collateral specified therein, including the Trademark Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the CSA and the September Credit Agreements, to evidence further the security interest granted by each Grantor to Agent, as agent for itself as a CSA Lender, as agent for itself as a September Notes Lender, as agent for each other September Notes Lender and as agent for each other CSA Lender, each Grantor hereby grants to Agent a security interest in all of such Grantor's right, title and interest in and to the following, in each case, whether now or hereafter existing or whether now owned or hereafter acquired and wherever the same may be located (the "**Trademark Collateral**"):

- (i) all trademarks, service marks, designs, logos, indicia, trade names, trade dress,

corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the “**Trademarks**”), all registrations that have been or may hereafter be issued or applied for thereon in the United States of America (“**United States**”) and any state thereof and in foreign countries (including, without limitation, the registrations and applications set forth on Schedule A annexed hereto), all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States and any state thereof and in foreign countries, and all goodwill of such Grantor’s business connected with the use of and symbolized by the Trademarks; and

(ii) all Proceeds and Accessions with respect to any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the “Trademark Collateral” include, and Grantors shall not be deemed to have granted a security interest in any of Grantors’ rights in or under any (i) Excluded Intellectual Property and (ii) United States intent-to-use trademark or service mark application to the extent that, and solely during the period prior to the filing of evidence of use of such trademark or service mark, the grant of a security interest therein would invalidate such intent-to-use trademark or service mark application under federal law.

If, before the Secured Obligations shall have been paid in full, any Grantor shall obtain rights to any new Trademark Collateral, the provisions of this Grant shall automatically apply thereto. Grantors shall promptly update Schedule A attached hereto as necessary, but no more frequently than once per fiscal quarter, and provide written notice to Agent of such updates on a fiscal quarterly basis. Grantors authorize Agent to modify this Grant by amending Schedule A attached hereto to reflect such updates.

Each Grantor does hereby further acknowledge and affirm that this Grant is made in connection with, and subject to the terms of, the September Credit Agreements and the CSA and that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the September Credit Agreements and the CSA, the terms and provisions of which are incorporated by reference herein as if fully set forth herein, including, without limitation, sections 9(a) and 9(i). In the event of an irreconcilable conflict between the terms of this Grant and the terms of the CSA, the CSA shall control.
