GENERAL ASSIGNMENT OF TRADEMARKS, DOMAIN NAMES

AND RELATED RIGHTS

This Assignment (the "Assignment") is made as of March 12, 2019 by and between Node.js Foundation, a Delaware not-for-profit corporation ("Assignee") and JSFoundation, Inc., a Delaware not-for-profit corporation ("Assignor").

WHEREAS, pursuant to the Asset Transfer Agreement by and among Assignor and Assignee of even date herewith, it has been agreed that Assignor shall transfer to Assignee the trademarks (the "Marks"), domain names and other rights specified on Schedule A attached hereto (hereinafter, collectively with the Marks, the "Marks and Other Rights");

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby assigns, conveys and transfers to Assignee all of its right, title, interest, ownership and subsidiary rights, including but not limited to, copyrights, if any, worldwide to the Marks and Other Rights listed on Schedule A attached hereto, together with the goodwill of the business connected with the use of and symbolized by the Marks; and in connection with foregoing, Assignor assigns, conveys and transfers to Assignee all income, royalties, damages, and payments now or hereafter due to Assignor in respect to the Marks and all causes of action (either in law or equity) and the right to sue, counterclaim, and recover for past, present, and future infringement, misappropriation, or dilution of the rights assigned to Assignee hereunder, and all other rights corresponding thereto throughout the world. Notwithstanding the foregoing, Assignor does not assign, and Assignee does not assume, any obligations or liabilities of Assignor with respect to the Marks and Other Rights.

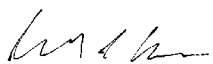

Assignor shall undertake, at the reasonable request of Assignee, to sign all documentation, including confirmatory trademark and domain name assignments and conveyances, and generally use commercially reasonable efforts to aid Assignee, its successors, assigns and nominees, in obtaining all rights from Assignor and in recording title to the Marks and Other Rights transferred herein in each jurisdiction where such Marks and Other Rights are used or are registered or where applications to register such Marks and Other Rights are pending.

[remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this General Assignment of Trademarks, Domain Names and Related Rights to be executed under seal as of the date first above written.

For and on Behalf of

JSFOUNDATION, INC.
