## TRADEMARK ASSIGNMENT

**THIS TRADEMARK ASSIGNMENT** (this "Assignment") is made and entered into as of the date of the last signature below (the "Effective Date") by and between **SunBriteTV LLC**, a Delaware limited liability company with an address at 1800 Continental Blvd., Suite 200, Charlotte, North Carolina 28273 ("Assignor"), and **Wirepath Home Systems, LLC**, a North Carolina limited liability company with an address at 1800 Continental Blvd., Suite 200, Charlotte, North Carolina 28273 ("Assignee").

**WHEREAS**, Assignor and Assignee entered into a purchase agreement, pursuant to which Assignee acquired all the outstanding capital stock in Assignor and Assignor became a wholly-owned subsidiary of Assignee (the "Purchase Agreement"); and

**WHEREAS**, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, the trademark applications and registrations set forth on Schedule A attached hereto, in each case, together with the goodwill of the business associated therewith (collectively, the "Marks").

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns, transfers and sets over to Assignee the entire worldwide right, title and interest in and to the Marks, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks, with the right to sue for, and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks. Assignor will, at the reasonable request of Assignee and without demanding any further consideration therefor, do all things necessary, proper, or advisable, including without limitation the execution, acknowledgment and recordation of specific assignments, oaths, declarations and other documents on a country-by-country basis, to assist Assignee in obtaining, perfecting, sustaining, and/or enforcing the Marks. If Assignee is unable for any reason whatsoever to secure Assignor's signature to any document it is entitled to under this Assignment, Assignor hereby irrevocably designates and appoints Assignee and its duly authorized officers and agents, as its agents and attorneys-in-fact with full power of substitution to act for and on their behalf and instead of Assignor, to execute and file any such document or documents and to do all other lawfully permitted acts to further the purposes of the foregoing with the same legal force and effect as if executed by Assignor.

The terms of the Purchase Agreement, including but not limited to Assignor's representations, warranties, covenants, agreements and indemnities relating to the Marks, are incorporated herein by this reference. Assignor acknowledges and agrees that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. The parties may execute this Assignment in multiple counterparts, any one of which need not contain the signature of more than one party, but all such counterparts taken together shall constitute one and the same instrument. Any counterpart may be executed by facsimile or PDF signature and such facsimile or PDF signature shall be deemed an original. The terms and conditions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignor, its successors, assigns and other legal representatives.

**IN WITNESS WHEREOF**, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the Effective Date.
