Borrowers further agree that they will not take any action, or permit any action to be taken by others subject to their control, including licensees, or fail to take any action, which would affect the validity or enforcement of the rights transferred to Administrative Agent under this Agreement.

B. Each Borrower hereby represents and warrants to Administrative Agent that such Borrower has not granted any license or security interest to any Person other than Administrative Agent in connection with any of the Intellectual Property Collateral. Each Borrower hereby covenants unto Administrative Agent that until the Obligations shall have been indefeasibly paid and satisfied in full and the Loan Documents have been terminated, such Borrower shall not grant any license or security interest to any third party in connection with the Intellectual Property Collateral without Administrative Agent's prior written consent.

4. New Trademarks, Patents, Copyrights and Licenses. Each Borrower represents and warrants that the Trademarks, Patents, Copyrights and Licenses listed on Exhibits "A", "B", "C" and "D" respectively constitute all of the material trademarks, trademark registrations, patents, patent registrations, copyrights, applications therefor and licenses now owned by such Borrower. If, prior to payment of the Obligations in full, such Borrower shall (i) obtain rights to any new material trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, application for copyright registration or licenses, or (ii) become entitled to the benefit of any material trademark, trademark registration, trademark application, copyright, application for copyright registration or license renewal, the provisions of Paragraph 2 above shall automatically apply thereto and such Borrower shall provide Administrative Agent with prompt notice thereof, which in any event shall be within ten (10) days. Borrowers hereby authorize Administrative Agent to modify this Agreement by amending Exhibits "A", "B", "C" and "D" to include any future material trademarks, trademark registrations, trademark applications, patents, patent registrations, patent applications, copyrights, applications for copyright registration and licenses.

5. **Royalties; Terms.** Each Borrower hereby agrees that the use by Administrative Agent of all Intellectual Property Collateral after an Event of Default as described above shall be without any liability for royalties or other related charges from Administrative Agent to Borrowers. The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Trademarks, Patents, Copyrights and Licenses assigned hereunder, or (ii) the payment to Administrative Agent of the Obligations in full and the termination of the Loan Documents.

6. **Administrative Agent's Right to Inspect.** Administrative Agent shall have the right to inspect Borrowers' premises and to examine Borrowers' books, records and operations, including, without limitation, Borrowers' quality control processes with reasonable prior written notice to Borrowers. Upon an Event of Default, Borrowers agree that Administrative Agent shall have the right to establish such additional product quality controls as Administrative Agent, in its sole discretion, may deem necessary to assure maintenance of the quality of products sold by Borrowers under the Trademarks, Patents, Copyrights or Licenses. Each Borrower agrees (i) not to sell or assign its interest in, or grant any licenses under, the Trademarks, Patents, Copyrights or Licenses; (ii) to maintain the quality of any and all products produced in connection with the Intellectual Property Collateral consistent with the quality of said products as of the date hereof; and (iii) not to adversely change or alter the quality of said products in any way without Administrative Agent's prior written consent.

7. **Nature and Termination of Administrative Agent's Security Interest.** This Agreement is made for collateral purposes only. Except as otherwise provided in Paragraphs 3, 6 and 13 hereof, nothing contained herein shall be deemed to limit in any way Borrowers' right to use the Trademarks, Patents, Copyrights or Licenses or to grant to Administrative Agent any right to use the Trademarks, Patents, Copyrights or Licenses prior to an Event of Default.

8. **Duties of Borrowers.** Borrowers shall have the duty (i) to prosecute diligently any trademark, patent and copyright registration pending as of the date hereof or at any time hereafter, until the Obligations shall have been paid in full, (ii) to make applications for trademarks, patents and copyrights, as appropriate, and (iii) to preserve and maintain all Intellectual Property Collateral. Any expenses incurred in connection with such applications shall be borne by Borrowers. Borrowers shall not abandon any Intellectual Property Collateral, without the consent of Administrative Agent.

9. **Administrative Agent's Right to Sue.** Upon an Event of Default, Administrative Agent shall have the right, but shall in no way be obligated, to bring suit in its own name or in the name of a Borrower to enforce the Trademarks, Patents, Copyrights and Licenses. If Administrative Agent shall commence any such suit, Borrowers shall, at the request of Administrative Agent, do any and all acts and execute any and all instruments, documents and agreements required by Administrative Agent to enforce such Intellectual Property Collateral, and Borrowers shall promptly, upon demand, reimburse and indemnify Administrative Agent for all costs and expenses incurred by Administrative Agent in the exercise of its rights and remedies under this Paragraph 9.

10. **Waivers.** Administrative Agent's failure at any time or times hereafter to require strict performance by Borrowers of any provision of this Agreement shall not waive, affect or diminish any right of Lenders thereafter to demand strict compliance and performance therewith. Any suspension or waiver by Lenders of an Event of Default shall not suspend, waive or affect any other Event of Default, whether same is prior or subsequent thereto and whether of the same or a different type. None of the undertakings, agreements, warranties, covenants and representations of Borrowers contained in this Agreement and no Event of Default by Borrowers shall be deemed to have been suspended or waived by Lenders unless such suspension or waiver is in writing signed by officers of Administrative Agent and the Required Lenders and directed to Borrowers specifying such suspension or waiver.

11. **Severability.** The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

12. **Modification.** This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 4 hereof or by a writing signed by the parties hereto.

13. **Cumulative Remedies; Power of Attorney; Effect on Loan Agreement.** All of Administrative Agent's rights and remedies with respect to the Intellectual Property Collateral, whether established hereby, by the Loan Documents, by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Borrower hereby authorizes Administrative Agent to make, constitute and appoint any officer or agent of Administrative Agent as such Borrower's true and lawful attorney-in-fact, with power, exercisable solely upon an Event of Default and commencement by Administrative Agent of any of its rights and remedies whatsoever, whether pursuant to this Agreement, the Loan Documents, at law, in equity or otherwise, to (a) endorse such Borrower's name on all applications, documents, papers and instruments necessary or desirable for Administrative Agent in connection with selling the Intellectual Property Collateral, (b) take any other actions with respect to the Intellectual Property Collateral as Administrative Agent decides in its sole and absolute discretion, (c) assign, pledge, sell, convey or otherwise transfer title in or dispose of the Intellectual Property Collateral to any person or entity as Administrative Agent may determine in its discretion, and (d) grant or issue any non-exclusive license under the Intellectual Property Collateral, to any person or entity. Each Borrower agrees to indemnify Administrative Agent and all Lenders for any infringement claims or other similar claims filed or asserted against Administrative Agent or any of the Lenders from the use of any of the Intellectual Property Collateral. Borrowers hereby ratify all actions that attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full and all financing arrangements between Borrowers or any Borrower and Administrative Agent have been terminated. Borrowers acknowledge and agree that this Agreement is not intended to limit or restrict in any way the rights and remedies of Administrative Agent or any of the Lenders under the Loan Documents, at law or in equity, but rather is in addition to and intended to facilitate the exercise of such rights and remedies.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon Borrowers and their respective successors and assigns, and shall inure to the benefit of Administrative Agent, its nominees, successors and assigns.

15. **Notice.** Any and all notices, exercises, demands, requests, consents, designations, waivers and other communications required or desired hereunder shall be delivered to the parties hereto at their addresses set forth in the Loan Agreement and shall be effective as set forth in the Loan Agreement.

16. **Governing Law.** This Agreement shall be deemed to have been executed and delivered in Chicago, Illinois, and shall be governed by and construed in accordance with the internal laws (as opposed to conflicts of law provisions) of the State of Illinois.

17. **Joint and Several.** All references to "Borrowers" and "Borrower" shall mean S&W Seed, Seed Holding, and Stevia CA, both individually and collectively, and jointly and severally, and all representations, warranties, duties, covenants, agreements and obligations of Borrowers shall be the individual and collective representations, warranties, duties, covenants, agreements and obligations of each of S&W Seed, Seed Holding, and Stevia CA.
