TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 31st day of January, 2020, by and among Grantors listed on the signature pages hereof (collectively "Grantors" and each individually "Grantor"), and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association ("Wells Fargo"), in its capacity as agent for the Secured Parties (in such capacity, together with its successors in such capacity, "Collateral Agent").

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement dated as of January 31, 2020 (the "Credit Agreement") by and among the banks, financial institutions and other investors from time to time party thereto (such banks, financial institutions and other investors, each individually as a "Lender" and collectively as the "Lenders"), Wells Fargo, as United States administrative agent for the Lenders (in such capacity, together with its successors in such capacity, "U.S. Agent"), as sole lead arranger and bookrunner, **WELLS FARGO CAPITAL FINANCE CORPORATION CANADA**, as Canadian administrative agent for the Canadian Lenders (in such capacity, together with its successors in such capacity, "Canadian Agent"), Wells Fargo, as collateral agent for the Secured Parties (in such capacity, together with its successors in such capacity, "Collateral Agent"; together with U.S. Agent and Canadian Agent, are referred to hereinafter each individually as an "Agent", and collectively, as "Agents"), **MELISSI 5 INC.**, a Cayman Islands exempted company ("Holdings"), **MELISSI 1 INC.**, a Delaware corporation ("Melissi 1"), **MELISSI 2 INC.**, a Delaware corporation ("Melissi 2" and, together with Melissi 1, the "U.S. Parent Companies" and each a "U.S. Parent Company"), **MELISSI 3 HOLDING CORP.**, a British Columbia corporation (the "Canadian Parent Company"; the Canadian Parent Company, together with the U.S. Parent Companies, each, individually, a "Parent Company" and, collectively, jointly and severally, the "Parent Companies") **TONOS US LLC**, a Delaware limited liability company (the "U.S. Borrower"), and **TONOS 1 OPERATING CORP.**, a British Columbia corporation (the "Canadian Borrower"; the Canadian Borrower, together with the U.S. Borrower, each, individually, a "Borrower" and, collectively, jointly and severally, the "Borrowers"), certain Secured Parties have agreed to make certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Secured Parties are willing to make the financial accommodations to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Collateral Agent, for the benefit of the Secured Parties, that certain U.S. Security Agreement, dated as of January 31, 2020 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, Grantors are required to execute and deliver to Collateral Agent, for the benefit of the Secured Parties, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. **DEFINED TERMS**. All initially capitalized terms used herein (including in the preamble and recitals hereof) without definition shall have the meanings ascribed thereto in the Security Agreement or, if not defined therein, in the Credit Agreement (including Schedule 1.1 thereto).
2. **CERTAIN LIMITED USE EXCLUSIONS**. Notwithstanding anything herein to the contrary, in no event shall the security interest granted under Section 2 above attach to any "intent-to-use"

trademark application to the extent and for so long as the creation of a security interest therein would invalidate the applicable Grantor's right, title or interest therein.

3. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants, assigns, and pledges to Collateral Agent, for the benefit of each Secured Party, to secure the Secured Obligations, a continuing security interest (subject to Permitted Liens) (referred to in this Trademark Security Agreement as the "Security Interest") in all of such Grantor's right, title and interest in and to the Trademarks and the exclusive Intellectual Property Licenses in respect of Trademarks to which it is a licensee including those referred to on Schedule I, whether now owned or hereafter acquired or arising (collectively, the "Trademark Collateral").

4. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Collateral Agent or any Secured Party, but for the fact that they are unenforceable or not allowable (in whole or in part) as a claim in an Insolvency Proceeding involving any Grantor due to the existence of such Insolvency Proceeding.

5. SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Collateral Agent, for the benefit of the Secured Parties, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. To the extent there is any inconsistency between this Trademark Security Agreement and the Security Agreement, the Security Agreement shall control.

6. AUTHORIZATION TO SUPPLEMENT. Subject to the terms of the Security Agreement, Grantors hereby authorize Collateral Agent to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Collateral Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

7. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Trademark Security Agreement. Delivery of an executed counterpart of this Trademark Security Agreement by facsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by facsimile or other electronic method of transmission also shall, if requested by another party hereto, deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Trademark Security Agreement.

8. CONSTRUCTION. This Trademark Security Agreement is a Loan Document. Unless the context of this Trademark Security Agreement clearly requires otherwise, the rules of construction set forth in Section 1.4 of the Credit Agreement shall apply to this Trademark Security Agreement. Unless the context of this Trademark Security Agreement clearly requires otherwise, references to the plural include

the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or”. The words “hereof”, “herein”, “hereby”, “hereunder”, and similar terms in this Trademark Security Agreement refer to this Trademark Security Agreement as a whole and not to any particular provision of this Trademark Security Agreement. Section, subsection, clause, schedule, and exhibit references herein are to this Trademark Security Agreement unless otherwise specified. Any reference in this Trademark Security Agreement to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein).

9. CHOICE OF LAW AND VENUE; JURY TRIAL WAIVER; JUDICIAL REFERENCE PROVISION. THIS TRADEMARK SECURITY AGREEMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING CHOICE OF LAW AND VENUE, JURY TRIAL WAIVER, AND JUDICIAL REFERENCE SET FORTH IN SECTION 24 OF THE SECURITY AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

10. INTERCREDITOR AGREEMENT.

(a) Anything herein to the contrary notwithstanding, the liens and security interests granted to WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association, as Collateral Agent under the ABL Credit Agreement, pursuant to this Trademark Security Agreement and the exercise of any right or remedy by WELLS FARGO BANK, NATIONAL ASSOCIATION, a national banking association, as Collateral Agent hereunder, are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Trademark Security Agreement, the terms of the Intercreditor Agreement shall govern and control and no right, power, or remedy granted to the Collateral Agent hereunder or under any other Loan Document shall be exercised by the Collateral Agent, and no direction shall be given by the Collateral Agent, in each case in contravention of the Intercreditor Agreement.

(b) Without limiting the generality of the foregoing clause (a), and notwithstanding anything herein to the contrary, all rights and remedies of the Collateral Agent (and the Secured Parties) shall be subject to the terms of the Intercreditor Agreement, and, with respect to the Term Loan Priority Collateral, any obligation of the Borrowers and other Grantors hereunder or under any other Loan Document with respect to the delivery or control of any Term Loan Priority Collateral, the provision of voting rights or the obtaining of any consent of any Person, in each case in connection with any Term Loan Priority Collateral shall be deemed to be satisfied if the Borrowers or such Grantors, as applicable, complies with the requirements of the similar provision of the applicable Term Loan Document. Until the Payoff Date, the delivery of any Term Loan Priority Collateral to the Collateral Agent pursuant to the Term Loan Documents shall satisfy any delivery requirement hereunder or under any other Loan Document.
