ASSIGNMENT OF TRADEMARKS

THIS ASSIGNMENT OF TRADEMARKS (this "Assignment"), dated as of January 28, 2020, is entered into by and between Altitude Collection, LLC ("Assignor"), and Modcloth Holdings, LLC ("Assignee"). Except as otherwise defined herein, capitalized terms used in this Assignment shall have the meanings ascribed to them in the Asset Purchase Agreement dated the date hereof by and among Assignee and Assignor (the "Purchase Agreement").

WHEREAS Assignor is the owners of all right, title, interest, and goodwill in and to the trademarks, trademark registrations and applications listed in the attached Schedule A (the "Trademarks"); and

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to assign, sell and transfer its entire right, title and interest in and to the Trademarks to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, agree as follows:

Assignor does hereby assign, sell and transfer to Assignee all of their right, title and interest in and to the Trademarks. Assignor does further consent to the recordation of this Assignment with any governmental agency.

Assignor authorizes the Commissioner for Trademarks of the United States Patent and Trademark Office and any other national, federal, and state government officials to record and register this Assignment upon request by Assignee. Assignor agrees to (a) execute all oaths, assignments, applications, and other papers and documents necessary to fully secure to Assignee the right, title and interest conveyed herein and to perfect such right, title, and interest in and to Assignee, its successors, assigns, and legal representatives and (b) take such further actions as may be reasonably requested by Assignee in order to carry out the provisions and purposes of this Assignment including, without limitation, to execute one or more further assignments covering the Trademarks in a form acceptable for recordation in the United States Patent and Trademark Office or any applicable foreign equivalent.

This Assignment shall be governed by and construed in accordance with the domestic laws of the State of Delaware without giving effect to any choice of law or conflict of laws provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same agreement. The exchange of copies of this Assignment and of signature pages by facsimile or electronic (PDF) counterpart signatures shall be acceptable and binding.

This Assignment is executed pursuant to, in furtherance of and is subject to, the terms and conditions of the Purchase Agreement. This Assignment shall not replace, substitute, expand or extinguish any obligation or provision of the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall control.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed as of the date first written above.
