SECURITY INTEREST IN TRADEMARKS**

This **TERMINATION AND RELEASE OF SECURITY INTEREST IN TRADEMARKS**, dated as of March 17, 2020 (this “Release”), is granted by CANTOR FITZGERALD SECURITIES, in its capacity as Agent (as defined in the Security Agreement) (such Agent, “Releasor”) in favor of TRANSFORM SR BRANDS LLC (the “Grantor”), with respect to the Trademark Collateral (as defined in the Trademark Security Agreement).

WHEREAS, the Grantor is party to a Guarantee and Collateral Agreement, dated as of September 19, 2019 (as amended, supplemented, restated or otherwise modified from time to time, the “Security Agreement”), to a Trademark Security Agreement of even date therewith in favor of the Releasor (as amended, supplemented, restated or otherwise modified from time to time, the “Trademark Security Agreement”), and to a Supplemental Trademark Security Agreement, dated as of January 7, 2020 (as amended, supplemented, restated or otherwise modified from time to time, the “Supplemental Trademark Security Agreement,” referred to with the Trademark Security Agreement as the “Trademark Security Agreements”), and whereas, pursuant to the Trademark Security Agreements, the Grantor granted to the Releasor a security interest in all of the Grantor’s right, title and interest in, to and under all Trademark Collateral including, but not limited to, the trademark registrations and trademark applications listed on Schedule I, corresponding to the Trademark Security Agreement, and Schedule II, corresponding to the Supplemental Trademark Security Agreement, attached hereto (the “Trademark Security Interest”); and

WHEREAS, pursuant to the Security Agreement, the Grantor executed and delivered to the Releasor the Trademark Security Agreement, which was recorded at the U.S. Patent and Trademark Office (the “USPTO”) on September 25, 2019 at Reel/Frame 6754/0274;

WHEREAS, pursuant to the Security Agreement, the Grantor executed and delivered to the Releasor the Supplemental Trademark Security Agreement, which was recorded at the U.S. Patent and Trademark Office (the “USPTO”) on January 7, 2019 at Reel/Frame 6832/0694;

WHEREAS, the Grantor has satisfied in full the terms of the Security Agreement and the Trademark Security Agreements and requests a release of the Trademark Security Interest;

WHEREAS, the Releasor, on behalf of itself and the Credit Parties, desires to terminate and grant a release of the Trademark Security Interest as provided in this Release;

NOW THEREFORE, in consideration of the mutual promises and undertakings set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and with the intention of being legally bound hereby, the Releasor, on behalf of itself and the Credit Parties, and the Grantor agree as follows:

SECTION 1. Defined Terms. All capitalized terms used herein but not otherwise defined herein have the meanings given to them in the Security Agreement or Trademark Security Agreements, as applicable.

SECTION 2. Termination and Release. The Releasor, on behalf of itself and the Credit Parties, hereby absolutely, unconditionally and irrevocably (a) terminates the Trademark Security Agreements and any other agreement under which the Grantor has granted the Releasor or any of the Credit Parties, prior to the date hereof, a collateral mortgage, pledge, hypothecation, grant, assignment, lien or security interest in, to or under the Trademark Collateral, (b) terminates, cancels, discharges, relinquishes and releases the Trademark Security Interest granted pursuant to the Security Agreement or the Trademark Security Agreements and (c) terminates all of the Releasor’s and the Credit Parties’ right, title and interest

in, to and under such Trademark Collateral. The Releasor, on behalf of itself and the Credit Parties, authorizes and requests the recordation of this Release against the Trademark Collateral with the USPTO and any other applicable governmental authority at the Grantor's expense.

SECTION 3. Further Assurances. At the request and sole expense of the Grantor, the Releasor, on behalf of itself and the Credit Parties, agrees to execute, acknowledge and deliver all such further instruments and to take all such further actions necessary or reasonably requested by the Grantor to carry out the purposes of this Release.

SECTION 4. Choice of Law. This Release shall be governed by and construed and interpreted in accordance with the law of the State of New York (and, to the extent applicable, the Bankruptcy Code), without regard to principles of conflicts of laws, but including sections 5-1401 and 5-1402 of the New York General Obligations Law.

SECTION 5. Miscellaneous. This Release may not be supplemented, altered or modified in any manner except by a writing signed by all parties hereto. This Release shall be binding upon the Releasor's and the Credit Parties' representatives, successors, assigns and transferees and is made in favor of and for the benefit of the Grantor and its successors and assigns. This Release may be executed in counterparts, each of which shall be deemed an original, but all of which together constitute one and the same original. Unless this Release states otherwise, any reference to "any" shall mean "any and all" and "or" is used in the inclusive sense of "and/or".
