TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement (this “**Assignment**”), dated as of February 25, 2020 (the “**Effective Date**”), is made by Upstreet Ventures, Inc., a Washington corporation (collectively, the “**Assignor**”), in favor of TruSkin Partners, Inc., a Delaware corporation (“**Assignee**”).

WHEREAS, Assignee is the purchaser under that certain asset purchase agreement dated as of even date herewith, as may be amended to date (collectively, the “**Purchase Agreement**”) by and between Assignee and Texas Resellers, LLC d/b/a TruSkin, an Indiana limited liability company (“**Texas Resellers**”). Assignor is the manager of Texas Resellers and listed as the owner certain trademarks at the United States Patent and Trademark Office.

WHEREAS, pursuant to the Purchase Agreement, Assignor has conveyed, transferred and assigned to Assignee, among other assets, certain intellectual property of Assignor; and

WHEREAS, Assignor owns all of the rights, title and interest in and to the Trademark Assets (as defined herein), and, pursuant to the Purchase Agreement, has agreed to execute and deliver this Assignment, for recording with the United States Patent and Trademark Office and corresponding entities or agencies in any applicable jurisdiction (collectively, the “**Agencies**”).

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor hereby irrevocably conveys, transfers and assigns to Assignee, and Assignee hereby accepts from Assignor and Assignor, all of Assignor’s and Assignor’s right, title and interest in and to the following:

a. Those trademarks set forth on Schedule 1, attached hereto, and all issuances, extensions, and renewals thereof (collectively, the “**Trademark Assets**”), together with the goodwill of the business connected with the use of, and symbolized by, the Trademark Assets;

b. all rights of any kind whatsoever of Assignor accruing under any of the foregoing provided by applicable law of any jurisdiction, by international treaties and conventions, and otherwise throughout the world;

c. any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

d. any and all claims and causes of action with respect to any of the foregoing, whether accruing before, on or after the Effective Date, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation and Further Actions. Assignor hereby authorizes the Commissioner for Trademarks in the United States Patent and Trademark Office and the officials of other Agencies to record and register this Assignment upon request by Assignee. Following the Effective Date, upon Assignee’s reasonable request, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence or perfect the assignment of the Trademark Assets to Assignee, or any assignee or successor thereto.

3. Terms of the Purchase Agreement. The parties hereto acknowledge and agree that this Assignment is entered into pursuant to the Purchase Agreement, to which reference is made for a further statement of the rights and obligations of Assignor and Assignee with respect to the Trademark Assets. The representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms of this Assignment, the terms of the Purchase Agreement shall govern and control.

4. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed one and the same agreement. A signed copy of this Assignment delivered by facsimile, e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

5. Successors and Assigns. This Assignment shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
