CONFIRMATORY TRADEMARK ASSIGNMENT

WHEREAS, Solarflare Communications, Inc. a Delaware corporation, having its principal offices at 7505 Irvine Center Drive, Irvine, California 92618 ("Assignor") is the current listed owner of the trademarks and trademark registrations listed on Schedule A (the "Trademarks");

WHEREAS, Assignor has assigned the Trademarks to Xilinx, Inc., a Delaware corporation, having its principal offices at 2100 Logic Drive, San Jose, California, 95124 ("Assignee");

WHEREAS, Assignee is the successor-in-interest to the portion of the business to which the Trademarks pertain;

WHEREAS, the parties wish to confirm the assignment of the Trademarks upon the terms set out in this Confirmatory Assignment;

NOW, THEREFORE, in consideration of the promises contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

1. Assignor hereby confirms that it has assigned all rights, title and interest to the Trademarks to the Assignee, free from all license charges and other encumbrances. For the avoidance of doubt, the transfer includes all common law rights connected with the Trademarks, any and all goodwill related to the Trademarks, all of Assignor's rights under applicable law or international convention, and all claims, remedies and causes of action to recover damages for past, present and future infringement or other violation of the Trademarks.
2. Assignee may record this Confirmatory Assignment with the United States Patent and Trademark Office and with comparable offices in other jurisdictions throughout the world, as well as with any other United States or foreign government office as may be necessary or appropriate. All costs associated with any such registrations or recordations shall be paid by Assignee
3. This Confirmatory Assignment may be executed in one or more counterparts, all of which will be considered one and the same instrument, and will become effective when one or more counterparts have been signed by each of the Parties hereto and delivered, in person or by electronic means, receipt acknowledged in each case, to the other party to this Confirmatory Assignment.
4. Assignor shall take such further actions and execute such further documents as may be reasonably necessary or reasonably requested by Assignee in order to effectuate the intent of this Confirmatory Assignment and to provide Assignee in all material respects with the intended benefits of this Confirmatory Assignment.

- 5. This Confirmatory Assignment is not intended in any way to supersede, limit, qualify or expand any provision of the agreement under which Assignor assigned the Trademarks to Assignee, and does not limit any representations, warranties, covenants, terms, conditions or other provisions thereof.

IN WITNESS WHEREOF, Assignor has caused this Confirmatory Assignment to be executed and delivered, effective as of September 29, 2019.
