INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is made this 16th day of April, 2020, between HIBBETT HOLDINGS, LLC, an Alabama limited liability company ("Grantor") and REGIONS BANK, an Alabama banking corporation ("Lender").

WHEREAS, Grantor owns the trademarks (the "Trademarks") listed on Schedule A attached hereto, as the same may be amended from time to time;

WHEREAS, Grantor and certain of its affiliates have entered into that certain Second Amended and Restated Note dated as of even date herewith (as the same may hereafter be amended, restated, modified or supplemented from time to time, the "Note"; capitalized terms used herein but not otherwise defined herein shall have the meanings ascribed to them in the Note);

WHEREAS, pursuant to the terms of that certain Security Agreement dated as of even date herewith executed by Grantor in favor of Lender (the "Security Agreement"), Grantor has granted to Lender a security interest in all its personal property and assets, including, without limitation, the assets listed on Schedule A attached hereto, as collateral to secure the Obligations;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereby agree as follows:

1. Grantor does hereby grant to Lender a security interest in the following property, wherever arising or located (the "IP Collateral"): all of Grantor's right, title and interest in and to the Trademarks now owned or at any time hereafter acquired by Grantor or in which Grantor now has or at any time in the future may acquire any right, title, interest or license to, including all proceeds and products of any and all of the foregoing. Notwithstanding anything contained in this Agreement or any other Credit Document to the contrary, "IP Collateral" shall not include any "intent to use" trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the registrability of such "intent to use" trademark applications and the validity or enforceability of such "intent to use" trademark registrations issuing from such application under applicable federal law.
2. Grantor does hereby further acknowledge and affirm that the rights and remedies of Lender with respect to its security interests in the IP Collateral made and granted herein are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein, and include, without limitation, all rights and remedies of a secured party under the Uniform Commercial Code as adopted by the State of Alabama as in effect from time to time.
3. This Agreement has been delivered at Birmingham, Alabama and shall be governed by and construed and enforced in accordance with the laws of the State of Alabama (without regard to conflict of law principles). Whenever possible each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Agreement shall be prohibited by or invalid under applicable law, such

provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement.

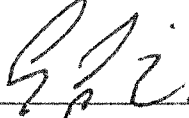

[Signature pages follow]

IN WITNESS WHEREOF, the undersigned Grantor has caused this Agreement to be duly executed and delivered as of the date first above written.
