Notice of Grant of Security Interest in Trademarks

Trademark Security Agreement, dated as of May 20, 2020, by each signatory hereto (each a “Grantor” and collectively, the “Grantors”), in favor of U.S. BANK NATIONAL ASSOCIATION, in its capacity as Notes Collateral Agent pursuant to the Indenture (in such capacity, the “Notes Collateral Agent”).

W i t n e s s e t h:

Whereas, each Grantor is party to that certain. Security Agreement, dated as of May 20, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), in favor of the Notes Collateral Agent pursuant to which such Grantor is required to execute and deliver this Trademark Security Agreement;

Now, therefore, in consideration of the premises and to induce the Notes Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, each Grantor hereby agrees with the Notes Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby grants to the Notes Collateral Agent for the benefit of the Secured Parties a Lien on and continuing security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor (collectively, the “Applicable Collateral”):

- (a) Trademarks of such Grantor, including those listed on Schedule I attached hereto;
- (b) all goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (other than Excluded Property).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Notes Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the release of the Lien provided for in the Security Agreement (as set forth in the Security Agreement and/or the Indenture, as the case may be) with respect to all or any portion of the Applicable Collateral (including in connection with the Disposition thereof), the Notes Collateral Agent shall execute, acknowledge, and deliver to each

Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in all or such portion of the Applicable Collateral under this Trademark Security Agreement, without recourse, representation or warranty by the Notes Collateral Agent.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

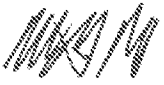

SECTION 6. Concerning the Notes Collateral Agent. U.S. Bank National Association is entering into this Trademark Security Agreement solely in its capacity as Notes Collateral Agent under the Indenture and not in its individual or corporate capacity. In acting hereunder, the Notes Collateral Agent shall be entitled to all of the rights, privileges and immunities set forth in the Indenture and the other Notes Documents as though fully set forth herein.

[signature page follows]

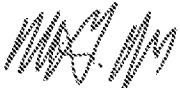

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,
