WHEREAS, each Grantor was party to a Security Agreement (as amended, modified or supplemented in accordance with its terms, the “*Security Agreement*”) dated as of December 1, 2016 in favor of the Agent and for the benefit of the Secured Parties;

WHEREAS, pursuant to the Security Agreement, each Grantor and the Agent entered into the Trademark Security Agreement;

WHEREAS, as of the Effective Date, all amounts owing and due under the Security Agreement were repaid, and upon such payment all security interests granted to Agent under the Security Agreement were released and terminated and Agent wishes to further evidence such release;

WHEREAS, pursuant to the Trademark Security Agreement, as collateral security for the payment and performance in full of all Secured Obligations each Grantor pledged and granted to the Agent, for the benefit of the Secured Parties, a lien on and security interest in all of the right, title and interest of such Grantor in, to and under the following property, wherever located, and whether then existing or thereafter arising or acquired from time to time (collectively, the “*Trademark Collateral*”): (a) all trademarks (including service marks), slogans, logos, certification marks, trade dress, uniform resource locators (URL’s), domain names, corporate names, brand names, trade names and other identifiers of source or goodwill of such Grantor then or thereafter, owned, filed or acquired by, or assigned to, such Grantor, including any of the foregoing listed on Exhibit A attached hereto, whether registered or unregistered, and all registrations and applications for the foregoing (whether statutory or common law and whether applied for or registered in the United States or any other country or any political subdivision thereof), together with any and all rights corresponding thereto throughout the world, (ii) extensions and renewals thereof and amendments thereto, (iii) goodwill associated with any of the foregoing and (iv) rights to sue for past, present and future infringements, dilutions or violations thereof; and (b) all Proceeds of any and all of the foregoing; and

WHEREAS, the Trademark Security Agreement was recorded with the United States Patent and Trademark Office on December 2, 2016, at Reel 5933, Frame 0708.

2. Governing Law. This Release and the rights and obligations of the parties hereunder shall be construed in accordance with and be governed by the law of the State of New York.
3. Recordation of Release. The Agent understands and agrees that this Release may be recorded by or for each Grantor with the U.S. Patent and Trademark Office.
4. Further Actions. The Agent further agrees to execute any other documents and take any further action reasonably necessary in any state, country or jurisdiction that each Grantor may reasonably require to effect the intent and purpose of this Release.
