ASSIGNMENT OF TRADEMARK

This Assignment of Trademark ("Assignment") is made effective as of November 12, 2019, by and between Sunstone Vineyards and Winery, a California corporation ("Assignor") on the one hand, and Channel Islands Management, LLC, a California limited liability company ("Assignee"), on the other hand, collectively referred to as the "parties", with reference to the following acts and intentions:

WHEREAS, Assignor is the owner of the following trademark ("the Mark"):

<u>Trademark</u>	<u>Serial No.</u>	<u>Filing Date</u>
SUNSTONE	74717738	August 18, 1995
EROS	75279175	April 22, 1997

WHEREAS, the Assignee desires to acquire the Mark, the registration for the Mark, and the goodwill of the business connected with the use of and symbolized by the Mark;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. Assignment. Assignor hereby assigns to Assignee all of Assignor's right, title, and interest in and to the Mark in the United States and in all other countries and jurisdictions of the world, including without limitation all common law rights, together with the United States registration for the Mark and any registration or application for registration of the Mark in any state, foreign country, or other jurisdiction, and the goodwill of Assignor's business connected with the use of and symbolized by the Mark.

2. Further Actions. The parties hereby covenant and agree, without the necessity of any further consideration, to execute, acknowledge and deliver any and all such other documents and instruments and take any such other action as may be reasonably necessary or appropriate to carry out the intent and purposes of this Cancellation.

3. Miscellaneous.

(a) Governing Law. The validity, interpretation, construction and performance of this Assignment, and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the State of California, without giving effect to principles of conflicts of law.

(b) Entire Agreement. This Assignment sets forth the entire agreement and understanding of the parties relating to the subject matter herein and supercedes all prior or contemporaneous discussions, understandings and agreements, whether oral or written, between them relating to the subject matter hereof.

(c) Amendments and Waivers. No modification of or amendment to this Assignment, nor any waiver of any rights under this Assignment, shall be effective unless in writing signed by the parties to this Assignment. No delay or failure to require performance of any provision of this Assignment shall constitute a waiver of that provision as to that or any other instance.

(d) Successors and Assigns. This Assignment, and the rights and obligations of the parties hereunder, will be binding upon and inure to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives. The Assignee may assign any of its rights and obligations under this Assignment. Assignor shall not assign, whether voluntarily or by operation of law, any of its rights and obligations under this Assignment, except with the prior written consent of the Assignee.

(e) Notices. Any notice, demand or request required or permitted to be given under this Assignment shall be in writing and shall be deemed sufficient when delivered personally or by overnight courier or sent by email, or 48 hours after being deposited in the U.S. mail as certified or registered mail with postage prepaid, addressed to the party to be notified at such party's address as set forth above, as subsequently modified by written notice.

(f) Severability. If one or more provisions of this Assignment are held to be unenforceable under applicable law, the parties agree to renegotiate such provision in good faith. In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (i) such provision shall be excluded from this Assignment; (ii) the balance of the Assignment shall be interpreted as if such provision were so excluded; and (iii) the balance of the Assignment shall be enforceable in accordance with its terms.

(g) Construction. This Assignment is the result of negotiations between and has been reviewed by each of the parties hereto and their respective counsel, if any; accordingly, this Assignment shall be deemed to be the product of all of the parties hereto, and no ambiguity shall be construed in favor of or against any one of the parties hereto.

4. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via facsimile, electronic mail (including pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, Uniform Electronic Transactions Act or other applicable law) or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes.

IN WITNESS WHEREOF, the parties have set forth their signatures as of the date first written above.
